Dining Card Alerts

Get a low balance reminder when your student's Red Dining Card is running low, plus a daily purchase activity email on days the card is used, including the card's remaining balance. Red Dining Cards purchased through our online store are enrolled automatically. If your student is using a card from a previous year, or you purchased a card at school, enrolling takes about 30 seconds and you can add up to three students per submission: fourseasonsfsm.com/dining-card-alerts

Dining Card Alerts is for Red Dining Cards and is not needed for students enrolled in the Platinum Dining Plan.

Platinum Dining Plan. One complete lunch every school day, one enrollment for the whole year. Enrollment is open now through September 30, 2026 at fourseasonsfsm.com/platinum — plan details, pricing and payment options are in the enclosed Dining Options guide.

QUESTIONS WE ARE OFTEN ASKED

About the Platinum Plan

Can my children share a Platinum Dining Plan?
Each child has their own plan, since the card is tied to one student at the register.

What beverages come with the plan?
A 16 oz water, a canned beverage, milk, or a 6 oz juice — your child's choice each day.

Does the Platinum card cover breakfast?
Platinum covers lunch. Breakfast is available with a Red Dining Card, or any of our other payment methods.

Can I pre-order with the Platinum plan?
Platinum is used in person at the register. If your child would like to order ahead, a Red Dining Card works with pre-order at fspreorder.com.

How do we buy extra items if Platinum covers one lunch a day?
Your Platinum Plan includes one complete lunch with sides, a drink and dessert. For additional snacks, drinks or other items, a Red Dining Card is the easiest option. Cash, credit/debit cards, Apple Pay and Google Pay are also accepted.

Does the Platinum card need reloading?
No need. It's set for the full school year.

Can I put Red Dining Card funds toward the Platinum plan?
Yes, toward the Pay-in-Full Plan. Red Dining Card funds cannot be used toward the Platinum payment plan.

About Red Dining Cards

How do I reload a Red Dining Card or check the balance?
Use the Reload or Check Balance links on Page 1. You'll need the full card number — it's on the back of a Physical card, or in the purchase email for a Digital card.

Do I need to sign up for Dining Card Alerts?
Not if the Red Dining Card was purchased through our online store this year — those cards are enrolled automatically. Cards carried over from a previous year or purchased at school need to be enrolled using the Dining Card Alerts link on Page 1. Dining Card Alerts is not needed for students enrolled in the Platinum Dining Plan.

What if a card is lost?
Let a cashier know and we'll get a replacement to your child. A $10 replacement fee applies to Platinum and Red Dining Cards alike.

What if a card is damaged?
Bring it to a cashier and we will exchange it for a new one.

Payments and general

Do you accept checks?
We're not set up for checks, but we accept credit and debit cards, Apple Pay, Google Pay and cash.

Why is there a 3% service fee online?
It applies to online purchases and covers running the store. It is also what lets us charge no transaction fee and set no minimum on Dining Card purchases at the register.

Where can I see the lunch menus?
At fspreorder.com, and on your school's website. New menus go up at the start of each month.
