School Bus Rider's Safety Handbook

Dear Parents and School Bus Riders,

The Salado Independent School District is pleased to provide school bus transportation for your student to and from school and other school-sponsored activities. We sincerely appreciate the opportunity to serve your student(s) by providing quality public school transportation. Providing this service is a tremendous endeavor and we need your assistance in helping to create a safe and enjoyable riding experience for your student.

Please take a few minutes to review this *Student Bus Rider's Safety Handbook* as well as the school bus section in the SISD *Student Code of Conduct* handbook with your student. The information contained in these handbooks explains bus rules and consequences should student misbehavior occur.

Safety is our primary concern and we hope that these rules and procedures will allow everyone to have a safe and enjoyable bus ride. Our school bus drivers have a tremendous responsibility. Please support their efforts to create a safe, healthy operation and ask your son or daughter to cooperate with the school bus driver while riding the bus.

Should you have questions or concerns about bus routes, please do not hesitate to contact the Transportation Office at 254-947-6994. Should you need information concerning student conduct on buses, please contact the campus administrator at your student's school.

Thank you,

Cheryl A. Lauw

Introduction for Parents and School Bus Riders

Bus transportation provided by the district is a privilege and not a right, whether to and from school each day or on school-sponsored trips, and should be treated as such. The goal of this Bus rider's Handbook is to offer safety related information that will help to provide a safe and enjoyable experience for eligible children and adult chaperones or sponsors who ride school buses. Parents should take time to read and discuss the material in this handbook with their children. Student information cards contained in this handbook are to be completed and returned to the driver within five days of receipt.

Rider Eligibility

The Salado Independent School District provides transportation services for students who reside two or more miles from their home school. In addition, the Superintendent of Salado ISD may also approve transportation for students residing in hazardous areas within the district. This approval is based upon specific district criteria used to evaluate hazardous conditions affecting students who live less than two miles from the respective home school. The Salado ISD Transportation Department provides transportation to all eligible students without regard to race, religion, color, sex, or national origin in accordance with all applicable laws and requirements of the State of Texas, the Texas Education Agency, and the Texas Department of Public Safety - School Transportation Division. No District Transfer Students are eligible to ride to or from school except for field trips and school sponsored events only.

General School Bus Policies

- 1) Students will abide by the district's rules and regulations concerning bus students, including conduct and dress code pertaining to respective campuses and grade levels.
- 2) While on the bus, students are under the authority of Salado ISD. **Students must follow the instructions from the drivers as they would a classroom teacher.** At no time will a student act toward, or address comments to a bus driver in a disrespectful manner, or refuse to cooperate with the driver.
- 3) Students will identify themselves when asked to do so by the driver or other school official.
- 4) Students must board and leave the bus only at the student's designated stop. Students are not permitted to depart the bus at campus once they board unless approved by a campus administrator.
- 5) Once the bus has left the pickup point, the driver is not permitted to make additional stops.
- 6) Only students who are eligible to ride may be transported and they must ride their assigned bus. Students may not ride on another bus with a friend. Most buses are at capacity. For that reason, students are not allowed to ride home with friends. (Parent notes will not be accepted by the driver.)
- 7) If an emergency should occur, contact the Transportation Office by 2:30 pm at (254) 947-6994 or (254) 947-6995 to request a bus riding change. This must be approved through the Transportation Office. Transportation will notify the driver and campus of the student's bus riding change for the day. **No notes from home will be accepted.**
- 8) The district cannot accommodate transportation requests for personal desires, custody agreement, or convenience of parents or students. We cannot transport students to job sites, special locations, or a friend's home.
- 9) Photography is prohibited on the school bus unless the student has prior, written permission from the campus principal.

- 10) Personal electronic devices are authorized for personal use while riding the bus as long as they are not shared with or used to distract others. Safety hazards created when using these electronic devices, or any recording or replay device (with or without headphones), may result in a safety referral.
- 11) The principal's jurisdiction extends to the bus stop.
- 12) Drivers and school officials are not responsible for stolen or destroyed/damaged articles or items on the bus.
- 13) It is the responsibility of the parent to provide transportation to school if a child misses the bus.
- 14) If students do not ride for five (5) consecutive days, the bus stop will be taken off the route unless parents notify the Transportation Department.
- 15) Only school authorized personnel may enter a bus. Questions concerning the bus or bus driver actions are to be directed to the Transportation Supervisor. (Bus or bus driver concerns will not be discussed at the bus stop.)

School Bus Danger Zones:

Be Safe, Be Respectful and Be Responsible School buses are the safest way for students to travel, but children also need to do their part to stay alert and aware of their surroundings to prevent injury. Salado ISD Transportation asks parents to help teach their student(s) the following safety rules for getting on and off the bus and for exercising good behavior while riding:

Procedures for Students Waiting to Board the Bus

- 1) Be at the bus stop five minutes before scheduled pick-up time. Driver will not wait or honk for riders.
- 2) Driver will not pick up a student unless they are at their designated stop. Do not attempt to flag or chase down the bus if missed. This creates an extremely unsafe situation for the bus driver and students already on board.
- 3) Students need to be out of the parent's car and waiting in line with the other students. Be ready to board the bus, stand on the sidewalk away from traffic and avoid rough housing while waiting for the bus.
- 4) When the bus approaches, form a line away from the street or road and be prepared to board the bus as soon as the driver signals.
- 5) Students need to stand clear of the bus and wait until it comes to a complete stop before approaching the bus.
- 6) Public and private property at the bus stop needs to be respected. Students damaging or misusing these properties will be disciplined by school or local authorities.
- 7) Students who miss the bus should go home immediately.
- 8) Parents should instruct their children on procedures to follow if the bus is missed.

Loading the Bus

- 1) Wait until the doors open and the driver gives the signal before approaching the bus.
- 2) Use the handrail and steps; do not push or shove when boarding.
- 3) Go to your assigned seat. The bus will not move until all students are seated.
- 4) Students are required to wear seat belts on all seat belt equipped school buses.
- 5) Students will be assigned seats based on safety considerations, grade level, and ease of loading and unloading.

Conduct on the Bus

- 1) In accordance with the Student Code of Conduct handbook, harassment in any form is strictly prohibited.
- 2) The bus driver is required to assign seats. The student will remain in their assigned seat until instructed otherwise by the driver. Your responsibilities include:
 - a) Keep your seat area clean and free of trash.
 - b) Close your window when leaving your seat.
 - c) Report any damage to the seat and/or window area to the driver.
 - d) Report any evidence of food or drink around your seat area.
- 3) A student shall not refuse to sit in an assigned seat or deny another student a place to sit.
- 4) Do not mark, cut or scratch any part of the bus. Vandalism costs will be paid for by the person responsible.
- 5) Scuffling, fighting, and the use of obscene, vulgar, or profane language and gestures are forbidden and may constitute immediate bus suspension. Note: The appropriate law enforcement agency may be called in regards to any fight on the bus and Disruption of Transportation charges may be filed.
- 6) Do not spit or throw any object inside or outside of the bus.
- 7) Normal conversation is permitted (no louder than classroom level); any loud noises may distract the driver and create an unsafe condition.
- 8) Students are not permitted to conduct personal grooming (brush/comb hair, apply make-up, use perfume/cologne, etc.) while on the bus.
- 9) Students should sit properly in their assigned seat at all times.
 - a) Face forward for the duration of the trip and keep their feet on the floor in front of them and out of the bus aisle at all times

 - f) Sit with your bottom to the seat, not on your backpack or books
 - g) Keep all your personal items in your lap, not on the floor for safety reasons
- 10) Students are required to remain seated while the bus is moving. Each student is expected to remain seated for the duration of the trip and until the bus door opens for departure.
- 11) Students will not extend any part of their body or any article out the window whether the bus is in motion or not.
- 12) Students shall never attempt to operate the passenger door or other driver controls except in the case of extreme emergency.

If a driver revokes this privilege due to safety reasons, the student must follow the driver's request.
 - g) If any of the above rules are not followed, the driver has the right to take the phone/device away and turn into the student's school Principal.

Exiting the Bus

- 1) Stay seated until the bus has completely stopped.
- 2) Keep all straps and items that hang down from student or backpack secure to student or backpack so they do not get caught on any part of the bus/vehicle.
- 3) Use the handrail and take one step at a time when leaving the bus. NO jumping from the bus to the ground when exiting the bus.
- 4) Wait for your turn to leave the bus; pushing and crowding will only slow exiting and may cause an accident. Do not leave the bus through the Emergency Door except during an actual bus emergency.

- Bus referral sent to campus - bus riding privileges suspended at the discretion of the campus administrator.

Continued inappropriate behavior after suspension from the bus, could result in longer suspension(s) from the bus up to the remainder of the school year to be determined by the campus administrator.

If the discipline includes the student's bus riding privileges being suspended, the campus will inform the parent or guardian. The parent or guardian must make other transportation arrangements of their own for the duration of the suspension of bus riding privileges.

In case of serious misconduct that may endanger the safety of the other passengers or driver, the student(s) may be removed from the bus by any school official or with law enforcement assistance. The parent or guardian will be notified as soon as possible.
