Food Service

You will notice more choices daily for lunch if you are just coming from Southmoreland Elementary. Each day, in addition to the main item listed on the school menu, there is another menu and line where you can choose from several entrees to create your own meal. The main line is to the right, the a la carte line is to the left. Students may purchase the a la carte items separately, or combine food items to make a whole meal. Any student may choose to get a meal with items from either side, check the menu to see a la carte features as well as daily options available.

Breakfast/Lunch Service

Students are to report to the cafeteria during their breakfast and lunch period ONLY. They are to remain until the (lunch) period ends. Students are responsible for returning their trays and disposing of all related trash. The Southmoreland School District and participating schools operate the meal programs under the Community Eligibility Provision (CEP) and as such all students are able to receive one(1) breakfast and one(1) lunch daily at ***NO CHARGE***.

Cafeteria Procedures

Breakfast is served for students daily in the cafeteria beginning at 7:45am and is available until the morning late bell rings.

What is a School Breakfast?
All breakfasts served in Southmoreland include food items from the following components: whole or enriched grains, fruit and fluid milk; additional choices of combination entrees that include a meat/meat alternative component may also be offered. A minimum of

3 food items may be selected comprising ½ cup serving of fruit/vegetable or 100% juice, plus two different food items in order for a reimbursable breakfast to be claimed.

What is a School Lunch?
The school lunch program offers five(5) basic components which are categorized as one of the following: Grains, Meat/Meat Alternate, Fruits, Vegetables, and Milk. Cafeteria staff always encourage participants to take one selection from all 5 components for a full, balanced and reimbursable meal; however, under the guidelines for Offer Versus Serve the student does not need to take all items offered. The minimum requirements for a reimbursable lunch include taking one fruit or vegetable and two additional different components.
The student may select from the following options:

- Entrée -- student may take 1 (note: the entree usually contains Grain and Meat/Meat Alternate, but in the instance that it does not an additional Grain will be offered)
- Up to 2 different Vegetables
- Choice of 1 Fruit or 100% Fruit Juice
- Choice of 1 Assorted 1% Unflavored, 1%Fat Free Flavored, Skim or Lactaid Milk

The student may actually take the full meal offered or may take as little as 3 items as long as one of them is a Fruit or a Vegetable.
In addition to the full lunch, you may buy other items separately, such as snacks, beverages, extra entrees, fruits, vegetables or milk. If you do not have a full lunch, a la carte prices will apply for each item! You must have money in your account to purchase a la carte items.

Lunch consists of three (3) 30-minute periods. Each student is scheduled for one individual meal period. Students are not to enter and leave the cafeteria at will. After eating, students must remove all items that they brought to their table. All uneaten food and beverages are to be discarded in the waste container. Students will leave the cafeteria at the end of each period when excused by a supervisor. Engaging in disruptive activity will result in disciplinary action.

Community Eligibility Provision & Medical Care Plans for Students

- Due to CEP all meals served at Breakfast and Lunch are FREE to all students.
    a. Families are no longer required to submit a free/reduced application to attain these CEP benefits. The program operates providing FREE meals and no child will be denied a meal when requesting a breakfast or lunch from the food service staff.
- If a student has a milk intolerance or non-life-threatening milk allergy, a Fluid Milk Substitution Form may be filled out by a parent or medical authority and returned if you wish to request one of the available milk substitutions with breakfast or lunch (soy milk or Lactaid). Per USDA regulation, water or juice are not permitted to be served in place of milk.
- For students who have a more serious disability (such as food allergy which may result in anaphylaxis), a separate Physician's Medical Plan signed by a physician identifying the disabling condition must be completed. Only in the case of a disability are alternative forms of milk substitutions, such as water or juice, allowable. Please discuss any life-threatening allergies with the school nurse.
- The Fluid Milk Substitution Form and the Physician's Medical Plan for Special Dietary Need form are available on the school website under Food Service. As a reminder, a physician's prescription slip cannot be accepted in lieu of either form.

District Charging Policy/School Cafe Online Meal System

SOUTHMORELAND FOOD SERVICE NOW USES SCHOOLCAFE POINT OF SALE COMPUTERIZED LUNCH SYSTEM AND ONLINE PAYMENT SYSTEM.

Artificial Intelligence (AI)

Artificial Intelligence (AI) tools, including language models, educational applications, and other generative technologies, may be used to support learning, research, creativity, skill development, and problem-solving. AI is a learning tool, not a replacement for original thinking, authentic effort, or student-created work.

Students are expected to use AI responsibly, ethically, and in accordance with school academic integrity expectations. Teachers will determine when and how AI may be used for specific courses and assignments, and students are responsible for following those guidelines.

Unless permitted by a teacher, AI-generated content may not be submitted as a student's own work. Using AI to complete or substantially create an assignment and submitting it as one's own is considered plagiarism and may be addressed under the school's academic integrity expectations.

Students are responsible for the accuracy, quality, and originality of all submitted work. Teachers may require students to explain their thinking, show their work, cite sources, or disclose AI use when appropriate.

Students should:

- Use AI to support learning, not replace their own work.
- Be honest and transparent about AI use.
- Review and verify information provided by AI.
- Follow teacher and assignment-specific guidelines.
- Protect personal and sensitive information when using AI tools.

Schedule Changes

Schedule changes will be limited to administrative errors and changes due to summer school make-up classes. Please contact the school counselor if you have a schedule change request.

Can my child change their schedule at the beginning of the school year?
Yes. Students may request changes to elective classes only during the first and second weeks of school. This add/drop period allows time to correct schedules and ensure appropriate placement.

What happens after the add/drop period ends?
After the first two weeks of school, schedule changes are very limited and will only be considered for:

- Administrative or scheduling errors
- Required changes due to summer school course make-ups

Can schedules be changed for personal preference after the add/drop period?
No. Schedule changes based on preference cannot be accommodated once the add/drop period has ended.

Who should I contact if I have a schedule concern?
Families should contact their child’s school counselor with any schedule-related questions or concerns. The counselor will review the request and determine if a change is appropriate.

Activity Permission Forms and Athletic Eligibility

Southmoreland Middle School provides a variety of extra-curricular activities for our students. These activities are intended to enhance the total school experience. Learning in our classrooms is the essential base for school activities. Each week that a student participates in any regular activity (i.e. athletic teams), his/her teachers will submit a form to the School Counselor by Friday at 10 am listing students who are ineligible for a given week. The list shows the student's standing, academically and behaviorally, in all classes

and must indicate satisfactory work. Any student failing two or more courses will be marked as ineligible for one week. Students who have been suspended during a particular nine week period will not be permitted to attend field trips that occur during that same nine week period.

Retention and Promotion Philosophy

Philosophy: Students are to be placed where they will have maximum achievement academically, socially, and emotionally. To determine possible retentions based on staff recommendations, the School Counselor will notify parents concerning these possible retentions and the need for greater effort and/or tutorial help. This notification allows both parents and students the time to work together to bring academic work to acceptable levels. Grade level teams, the principal and the counselor will also meet at the end of the year to determine the promotion and retention of students.

Promotion

Every student (grades 6, 7, and 8) will be required to complete the requirements of each core subject area. If those requirements are not met, (please see retention policy} the student will make up the course work during summer school or repeat the grade. Core subject areas are defined as Language Arts, Mathematics, Reading , Social Studies, and Science. Other important subject areas may be Library Science, Technology Education, Visual Art, Computer Science, Chorus, Band, and Music. Students are expected to fulfill the requirements in each of these subjects.

The grading system is one of grading on the basis of the student's own ability. The promotional policies are based upon whether the child has accomplished a significant part of what he/she is capable of accomplishing.

Retention

A student will be retained by failing two or more major course subjects or by failing one major subject and a total of one credit or more "minor" subjects. In order for a student to avoid grade level retention, the possibility of making up course(s) failed could exist via successful completion of an **approved** summer school program. If such information is needed, and prior to student registration for the same. Please contact the SMS Principal or School Counselor for appropriate details. A student will not be retained for more than two years in the same grade.

Student Awards

Principal's Award: The purpose of the Principal's Award program is to recognize those students who have displayed exemplary accomplishments in both academics and attendance at school.
The criteria for the Principal's Award are:

2. It is the student's responsibility to get any make-up work from his/her classroom teacher upon return to school from an absence.
3. Students who are absent from school will have the number of school days they were absent, with a maximum of three (3) days, to complete make-up work, except by special arrangement with the teacher.
4. If a student is sent home, via the school nurse due to illness and is absent the following day(s), the parent must provide a written excuse, either medical or parental, or the child will be charged with an unexcused/unlawful absence.
5. Any student absent for more than ten (10) days during the school year will be required to have a medical excuse.
6. A Student Attendance Improvement Conference (SAIC) will be scheduled if a student has four (4) or more unexcused absences. At this time a School Attendance Improvement Plan (SAIP) will be completed.
7. In addition to a SAIP, a student may be referred to Truancy Diversion Programming, or, be referred to the District Magistrate in violation of Compulsory Attendance Requirements, or be referred to Children and Youth Services.

Tardiness

1. If a student is tardy to school in the morning, a pass to enter class must be obtained in the office prior to going to the student's locker.
2. All students who are tardy to school must bring a written excuse explaining why he/she is tardy. Any tardy without a written excuse will be considered unexcused.
3. A note from a medical doctor is an excused tardy. The principal will determine the merit of all other excuses.
4. Excuses will only be accepted on the day of or one day after the student's tardiness.
5. Students should arrive at school and class on time. Tardiness will be recorded and detentions will be assigned for tardiness. Consequences may be assigned for chronic tardiness.

Early Dismissal

Occasionally, students may find it necessary to be excused from school because of a medical appointment. Parent(s) should exercise great care in not allowing this to happen unless absolutely necessary. All time absent from school will be counted towards a student's overall attendance.

Early dismissals for doctor or dentist appointments will be granted when the student presents to the office, either a doctor's or dentist's appointment card or an excuse signed by the parent/guardian listing the legitimate reason for the early dismissal and the telephone number where the parent/guardian may be contacted for verification of the early dismissal.

1. The student must present a written request to the office before 9:00 a.m.
2. If any person other than the parent/guardian of the student will be picking him/her up, the office must be notified or the student will not be permitted to leave until a parent/guardian can be reached for permission.
3. If an appointment is scheduled while the child is in school and must be dismissed, the office should be notified prior to parent/guardian arrival. When a parent/guardian comes to pick up a student, they must bring a written excuse stating the reason for the early dismissal.
4. All parents/guardians should report directly to the office to sign the student out of school. Students will be called to the office upon parent/guardian arrival.
5. Upon returning to school after an appointment, students submit a medical excuse from the doctor or dentist confirming a medical appointment. If a student returns to school during the same school day, he/she must report to the office for a pass to re-enter class.

Family Trips or Vacations

Vacations during the school year should be avoided as much as possible. However, if circumstances are such that make it necessary to remove a student for a vacation or family trip, prior approval from the principal is required. All requests must be in writing and submitted at least 2 weeks before the trip. The trip form can be found on the SMS website. The amount of time missed may not exceed five (5) school days. Vacations at the end of the school year are discouraged. Final exams will not be given early. All make-up work is the responsibility of the student. Failure to abide by this policy will result in the student's absence being considered unexcused/illegal. All time missed will count against the ten (10) day limit for a student's absences and the student's overall attendance.

Habitual Truancy and Notification

In the Commonwealth of Pennsylvania, a child is "truant" if the child is subject to compulsory school laws and has incurred three or more school days of unexcused absences during the current school year. A child is "habitually truant" if the child is subject to compulsory school laws and has incurred six or more school days of unexcused absences during the current school year. By law, schools in Pennsylvania are responsible for enforcing compulsory attendance laws. The table below indicates the measures to be taken as required by law to enforce compulsory attendance laws.

Number of Unlawful Days	Action Taken
3	● Attendance letter sent ● SAIC offered
4	● Attendance letter sent ● SAIC scheduled
6	● Attendance letter sent home via certified mail including copy of SAIP ● Referral to either a school-based or community-based attendance improvement program or the county children and youth agency ● Citation filed with Local Magistrate ***Note: Additional citations will be filed for each additional 3 days of unlawful absence***
SAIC = School Attendance Improvement Conference | SAIP = School Attendance Improvement Plan	

Excuses for Physical Education

Every student is required by law to participate in physical education classes.

A student wishing to be excused from physical education because of some physical ailment must present the physical education instructor with a doctor's excuse.

If a student has a minor ailment and wants to be excused for a period of physical education, he/she must present an excuse from the parent/guardian to the principal, which will be signed before it is given to the physical education teacher. A maximum of two parental excuses per year will be accepted. A doctor's excuse is required if further exclusion is needed.

Students experiencing a chronic injury requiring to be excused from regular physical education activities for an extended period of time (in excess of six weeks) must participate in the Adaptive Physical Education Program. Forms are available via the nurse's office.

Transportation

School Bus

Bus transportation is provided by the school district, and is a privilege and not a student right.

- This privilege can be denied to anyone who, in the opinion of the bus driver, through the principal, causes unnecessary noise or disturbance.
- Only regularly scheduled bus students are to ride the school buses. Any student wishing to ride another student's bus home must have a written permission slip signed by a parent/guardian. The principal or secretary must sign the permission slip.
- Bus drivers will report on a special form any disruptive behavior to the principal for appropriate action.

School rules apply to all students while at the bus stop or on school transportation. Appropriate discipline/consequences will be assigned/issued to any student that violates school rules/district policy while on school transportation.

Bicycles

The school assumes no responsibility for bicycles. However, bike racks are available at SMS for student convenience. It is suggested that students chain their bikes to the bike racks for safety purposes. Bicycles are not to be ridden on school grounds except as transportation to and from school.

Dances

Southmoreland Middle School occasionally hosts student dances, sponsored by student organizations, as a fun and social activity. These dances are typically held in the cafeteria.

Unless otherwise specified, students should adhere to our school's regular dress code for dances.

Students who have served a suspension within 30 days of a dance date are ineligible to attend. Similarly, students failing more than two courses are unable to participate. These guidelines are in place to maintain a positive and academic focus for all students.

Field Trips

To enhance student learning and development, Southmoreland Middle School organizes various field trips throughout the year.

To ensure student safety, a signed permission slip from a parent or guardian is required for all field trips. Please return the permission slip by the designated due date.

Students who have served a suspension within 30 days of a field trip or are failing more than two courses will not be permitted to attend. These measures help us prioritize student achievement and conduct.

Health Services

Please visit the district website for the updated Health and Safety Plan. https://pa01000599.schoolwires.net/Page/1

The nurse's office is located near the main office. The school nurse is available there on a varying schedule. In case of an emergency, the school nurse or a member of the school staff will care for a child temporarily. School personnel will render first aid treatment only, and the parents/guardians will be contacted. If parents/guardians are not available, the child will be taken to the nearest hospital via ambulance.

The school is not obligated for medical expenses incurred because of accidents that happen in school. Parents/guardians are encouraged to purchase the school insurance, offered at the beginning of the school year, if they do not already have coverage for their children.

If health services are needed (except for emergencies) students are to:

1. Report first to class to obtain a pass. Students are not permitted to report to the health suite between classes.
2. Report to the main office if the nurse is not available.
3. Wait for a consultation with the nurse.
4. Students will be required to sign in and out of the health suite.
5. Necessity to send a student home will be determined by the nurse or an administrator.
6. A pass to return to class will be issued by the nurse or office staff member.

Minimum Immunization Requirements for Adequate Status

Children IN ALL GRADES need the following:

- 4 doses of polio (4th dose on or after 4th birthday and at least 6 months after previous dose given)**
- 2 doses of measles, mumps, rubella***
- 3 doses of hepatitis B
- 2 doses of varicella (chickenpox) or evidence of immunity

** Usually given as DTP or DTaP or if medically advisable, DT or Td*

*** A fourth dose is not necessary if the third dose was administered at age 4 years or older and at least 6 months after the previous dose*

**** Usually given as MMR*

Children ENTERING 7 grade need the following:

On the first day of 7th grade, unless the child has a medical or religious/philosophical exemption, a child must have had the above vaccines or risk exclusion.

These requirements allow for medical reasons and religious beliefs. If your child is exempt from immunizations, he/she may be removed from school during an outbreak. Pennsylvania's school immunization requirements can be found in 28 Pa.CODE Ch.23 (School Immunization). Contact your healthcare provider or call 1-877-PA-HEALTH for more information.

Help Your Child Develop Healthy Attendance Behaviors

When students miss too many days of school, they fall behind and struggle to keep up with their classmates. Whether the days are missed due to illness, truancy, or for any other reason, the end result for the student is the same- learning time is lost. Children and adolescents will get sick at times and many need to stay home, but we want to work with you to help minimize the number of days your child misses school.

WORK WITH YOUR CHILD AND YOUR SCHOOL

- If your child has a chronic disease, make sure that the school staff is aware of the disease so that staff can assist your child if he/she becomes ill. Information about your child's chronic disease should be on file in the nurse's office.
- Keep an open line of communication with the school staff and teacher. The more the school knows about your child's health, the better prepared everyone will be able to work together for your child.

HELPFUL IDEAS

- Make appointments with the doctor or dentist in the late afternoon, so your child misses as little school as possible.
- If your child must miss school, make sure you get his/her homework assignments and follow up to see if the work is completed and turned in.
- Call the school as soon as you know your child will be absent and tell the school staff why your child will be out and for how long.
- Be prepared to get a doctor's note when requested by school personnel.

Guidelines For Keeping Students Home

- If your child has an emergency, call 911.
- For additional information, contact your child's school school nurse.
- Recommendations for keeping your child at home and/or sending your child to school (These suggestions were derived from the American Academy of Pediatrics in conjunction with the **CDC and Pa Dept. of Health**)

Child Doesn't Want to go to School Frequent crying, fear, anger, not wanting to socialize, behavior change, stomach ache, nausea (These can be signs of depression, anxiety, post-traumatic stress, or fear)	You should keep your child in school, but try to determine what is causing the changes. Talk to school personnel and consult a health care provider. Your child may be experiencing bullying or trauma, may be behind in his or her school work or not getting along with others. These and other issues may require you or school personnel's attention.
Chronic Diseases (Asthma, Diabetes, Sickle Cell, Epilepsy, etc.) Chronic disease is a long-lasting condition that can be controlled but not cured.	Your child should attend school. School personnel are trained to assist your child with his or her chronic disease and associated needs.
Cold Symptoms Stuffy nose/runny nose, sneezing, mild cough, no fever	If your child is able to participate in school activities send him or her to school.

Conjunctivitis (Pink Eye) The white of the eye is pink and there is a thick yellow/green discharge.	Prescribed eye medication should be given as directed for 24 hours prior to returning to school.
Coughing Severe, uncontrolled, rapid coughing, wheezing, or difficulty breathing	Keep your child home and contact a healthcare provider. Asthma – if symptoms are due to asthma, provide treatment according to your child's Asthma Action Plan and when symptoms are controlled send your child to school.
COVID 19	The district will follow the current Department of Health guidelines.
Diarrhea Frequent, loose or watery stool may mean illness but can also be caused by food and medication.	If, in addition to diarrhea, your child acts ill, has a fever or is vomiting, keep him or her at home. If stool is bloody, if the child has abdominal pain, fever or vomiting, you should consult a healthcare provider. Keep the child at home until there is no diarrhea for 24 hours before returning the child to school.
Fever Fever usually means illness, especially if your child has a fever of 101 or higher as well as other symptoms like behavior change, rash, sore throat, vomiting, etc.	If your child has a fever of 101 or higher, keep them at home until his or her fever is below 101 for 24 hours without the use of fever reducing medication. If the fever does not go away after 2-3 days or is 102.0 or higher, you should consult a healthcare provider.
Fifth's Disease	May return after being diagnosed by a physician. No longer contagious after a rash appears.
Hand, Foot & Mouth	Keep home until diagnosed and released by a physician.
Head Lice	Children cannot come to school until there are no visible live lice after lice treatment. The school nurse needs to recheck the child for readmission.
Impetigo	May return after 24 hours of appropriate therapy and disease is not progressive.
Menstrual issues	Most of the time menstrual issues (periods) should not be a problem. If they are severe and interfering with your daughter attending school, consult with a health care provider.
Mono	Keep your child at home until a health care provider has determined that your child is not contagious.
MRSA	Keep home until treated and the Physician has released. Any areas infected must be covered.
Parent is Sick, Stressed, Hospitalized	If you are sick, your child still needs to attend school. Your illness does not excuse your child from attending. We all are sick at times so plan ahead for these days. Get a neighbor, relative or spouse to take your child to school.
Poison Ivy	Student may attend as long as any seeping areas are covered.
Rash with Fever	If a rash spread quickly, is not healing, or has open weeping wounds, you should keep your child at home and have him or her seen by a health care provider. Any undiagnosed rash needs to be seen by healthcare provider.
Ringworm	Student may return after the first dose of appropriate therapy and open lesions are covered.
Scabies (Itch)	Student may return after appropriate therapy.
Scarlet Fever (Scarlatina)	May return 7 days from onset, unless the physician is treating with antibiotics and gives written permission to return to school 24 hours after treatment.
Stains, Sprains and Pains	If there is no known injury and your child is able to function (walk, talk, eat) he or she should be in school. If pain is severe or doesn't stop, consult a healthcare provider.
Strep Throat Sore throat, fever, stomach ache, and red, swollen tonsils	Keep your child at home for the first 24 hours after an antibiotic is begun.

Vaccine Preventable Chicken Pox – fever, headache, stomach ache or sore throat, then a red itchy skin rash develops on the stomach first and then limbs and face. Measles & Rubella (German Measles) – swollen glands, rash that starts behind ears then the face and the rest of the body, sore joints, mild fever and cough, red eyes. Mumps – fever headache, muscle aches, loss of appetite, swollen tender salivary glands Pertussis (Whooping Cough) – many rapid coughs followed by a high-pitched "whoop", vomiting, very tired	Keep your child at home until a healthcare provider has determined that your child is not contagious. Unvaccinated students may be excluded per Department of Health guidelines.
Vomiting Child has vomited 2 or more times in a 24-hour period	Keep your child home and contact a healthcare provider. Keep the child home until vomiting has stopped for 24 hours.

Guidelines For Sending Medications To School

Supervision of medication use is vitally important in order to avoid misuse of drugs. Therefore, ALL medications will be taken in the presence of the school nurse.

LONG – TERM MEDICATION: To be taken daily (i.e. Attention Deficit Disorder, seizure, diabetic, medication)
SHORT – TERM MEDICATION: To be taken as needed (i.e. headache, asthma, pain, and insulin coverage medication)

If your child has to receive medication at school, whether long term or short term, the following requirements are essential for the safety of your child:

- A "Physician's Authorization of Medication for a Student at School" form must be completed and signed by the parent/guardian and prescribing physician. This form must be submitted to the school nurse before the medication can be administered. This includes all over the counter medications.
- Must be in the original container
- The prescription must be current.
- The prescription must carry a prescription label with the child's name, drug identifier, dosage instructions, doctor's name, and prescription date.
- No more than one week of medication should be sent at one time, unless otherwise specified by school personnel.
- Refrigeration is available.
- Inhalers for asthma and epi-pens for anaphylaxis may be carried by students provided the required forms have been completed and the student has demonstrated correct use. Required forms include: "Physician's Authorization of Medication for a Student at School" and "Asthma Inhalers at School"or "Epi-pen Permission to Carry" forms.
- Forms must be renewed at the start of each school year and are available at the office and online.

NOTE: In order to avoid misuse of drugs, prescription and over-the-counter medication CANNOT be brought to school by the student at any time. It must be delivered to the school nurse by a parent/guardian or responsible adult.

INSECT AND BEE STING ALLERGIES
It is the responsibility of the parent/guardian to notify the school nurse, in writing, if a child is subject to an allergic reaction from a bee or other insect bite, and provide (Epi-Pen or Auvi-Q) and/or Benadryl to be given in the event of a reaction. Specific instructions for administration of medication must be provided in writing by the physician on the required form secured at the nurse's office.

EPI-PEN ADMINISTRATION
In the case of severe allergic reaction (anaphylaxis) with symptoms of flushing, apprehension, syncope, tachycardia, rash, itching, swelling, and respiratory difficulty including wheezing and/or shortness of breath, the School Nurse or her designee may administer Epi-Pen according to the school district's standing orders. Dosage is determined by student weight. An ambulance will be called immediately. Emergency care must be activated at the onset of a severe allergic reaction.

STANDING ORDERS
Benadryl and cough drops may be administered on an as needed basis with parent or guardian permission. The school nurse will determine necessity of administration and confirm with student's parent or guardian.

Cough Drops:
The Certified School Nurse or their designee may administer up to 4 cough drops per day with written parent/guardian permission. If student cough frequency is noted, parents will be advised to seek medical attention for their student and provide their own supply of cough drops. Written documentation includes an email, handwritten note or completed google form.

Benadryl:
In the event of a student or staff member having a sudden allergic reaction with hives and/or angioedema, the Certified School Nurse or their designee may administer Benadryl according to weight requirements per order.

Parents will be notified of dosing as soon as possible. If reaction progresses, then Epinephrine Standing order will be followed.

911 will be called in the event of an emergency.

Student Obligations

Student obligations are fees owed to the school. Such obligations include but are not limited to replacement costs or fines for lost or damaged books, uniforms, Chromebooks and other school equipment or materials, and debts owed for school sales. Notification of the obligations will be made and a deadline for repayment will be established.

Student Sales

- Students are not permitted to sell items during the regular school hours from outside organizations or for themselves. Any items sold within school must be school district sponsored.
- Edible items will not be sold until all lunch periods are concluded.

Cell Phones, Telephones and Electronic Devices

Students will be permitted to use telephones in the office to contact parents/guardians. The use of cell phones during school hours and After School Detention / Saturday Detention / Saturday Session are strictly prohibited. Use may be indicated by visibility of a phone **(Visibility = Use)**. Any electronic device brought to school should be locked securely in the student's locker. If an electronic device is used (first offense), the student will be directed to secure it in their locker. If the device is not secured in the locker or it is observed a second time, the student must turn over the device to the teacher or administrator and pick it up at the close of the day from the office. A record of the infraction will be kept. For the third infraction, the teacher or administrator will hold the device for parent pickup. If there is a fourth time, the student will turn over the phone for parent pick up and will be assigned a two-hour after school detention. Any refusal to turn over devices is considered Defiance of Authority and subject to further disciplinary action.

Southmoreland School Board Code of Conduct

The Code of Student Conduct is designed to ensure that all students have a safe school environment conducive to learning and growing as students and citizens.

Southmoreland School District's mission is to provide "High Quality Learning For All". One of the ways in which we will achieve this mission is to have a uniform code of conduct that sets high expectations for student behavior. This Code of Student Conduct outlines supports, as well as disciplinary actions, for those exhibiting behavioral challenges. While the code is intended to keep the school safe and orderly, it is also in place to help our students receive the support they need and to learn from their mistakes.

The Code of Student Conduct requires that students respect each other, themselves, staff, and all members of our school community. Students are encouraged to assume responsibility for their behavior and to develop a firm understanding of right and wrong and to act accordingly.

It is important for students and parents/guardians to review this Code of Student Conduct so we are all setting consistent expectations for good behavior and positive citizenship. We appreciate the support of our families in partnering with us to help our students become their very best.

Student Responsibilities
Respect fellow students, themselves, staff, and all members of the school community

It is the responsibility of each student to respect the rights of teachers, students, administrators, and all others who are involved in the educational process. Students should express their ideas and opinions in a respectful manner. Students are to follow all school rules while in class in addition to meeting teacher expectations for achievement and behavior. Similarly, it is important that students also develop and demonstrate a respect for themselves by virtue of the manner in which they conduct themselves.

Regular Attendance
Students are expected to attend school regularly and to arrive at each class on time and prepared to learn.

Conscientious effort in classroom work and homework
Students are expected to be attentive and active participants in the classroom. No student will be allowed to disrupt the learning of others. Students are expected to ask for help when needed. Assigned homework should be completed in a timely, appropriate manner.

Conformance to school rules and regulations
Students are to follow all school rules while attending school sponsored activities/events. Any student removed from a school sponsored activity/event will not be permitted to attend additional school sponsored activities, on or off campus, for the remainder of the semester/season and will be subject to discipline.

It is the responsibility of our students to comply with the following:

- Be aware of all rules and regulations for student behavior and conduct themselves in accordance with them. Students should assume that, until a rule is waived, altered, or repealed in writing, it is in effect.

School Dress Code

The Board authorizes the Superintendent to enforce school regulations prohibiting student dress or grooming practices which present a hazard to the health and safety of the student him/herself or to others in the school; materially interfere with school work; create disorder, or disrupt the educational program; cause excessive wear or damage to school property; and prevent the student from achieving his/her own educational objectives because of blocked vision or restricted movement.

Students should dress appropriately for the business of education. Student dress should be in good taste and reflect personal and school pride. Students who dress in a manner which may result in a health or safety hazard or in a disruption of the educational process, may be sent home or otherwise disciplined. If certain guidelines are not followed, student's items could be confiscated **(i.e.** hats, coats, spiked bracelets, chains, etc.) and returned at the discretion of the Principal. The following guidelines will be enforced for student *dress.*

The Southmoreland School District reserves the right to question any mode of dress/jewelry/make-up/hair style that is beyond community/school accepted standards. Certain types of clothing or hair styles may be required for Physical Education classes or for extracurricular activities such as band, sports, etc.

These rules and procedures have been developed according to the Board Policy regarding student dress and grooming. However, solutions to situations not specifically covered are the responsibility of building level administrators. Appropriate decisions will be made based on the intent and spirit of Board Policy. Students and Parents are expected to exercise careful judgment in the selection of appropriate attire for school.

Students who are found to be in violation of the policy will be referred to the Principal for appropriate action. Determination of any dress code violation will be at the discretion of the Principal or the Principal's designee.

Behavioral Expectations

At Southmoreland Middle School the primary purpose of the daily schedule is to conduct the business of education. The school provides many opportunities for students to achieve success and to advance their educational goals. It is imperative the climate of the school be conducive to such ends. Therefore, the development of self-discipline and responsibility is encouraged and nurtured. A discipline code has been developed to establish guidelines for student conduct while they are in school, out of school, on a school bus, and/or attending school functions.

Philosophy

The Southmoreland Middle School Community is committed to promoting a safe, healthy, and inviting environment: one that fosters respect, caring, and responsibility. Disciplinary consequences are designed to change inappropriate behavior, encourage more effective habits of conduct, and promote the development of self-discipline. In order to preserve a healthy, inviting school climate, which allows each student the opportunity to achieve his/her maximum potential, all individuals will be expected to adhere to this philosophy or lose the privilege to remain in the school setting.

Disciplinary Policies

- The school administrator has the responsibility for taking action based on knowledge of the facts of the incident and the needs of the involved parties. The following list of minimum and maximum disciplinary actions does not imply or require a progression of increasing severity. Some of the violations are criminal offenses and, if so, appropriate legal authorities would need to be informed.
- Students may also be disciplined for activities off of school property and not during school-sponsored activities if school administrators have a reasonable belief that the health and/or safety of the student or others *in* school may be in danger, or that school operations or activities may be disrupted.

Discipline-Related Definitions

Probation - trial period for a pupil to change undesirable behavior and still remain in the school. The assignment of after school detention and/or loss of privileges may be a condition of the probation.

After School Detention (ASD) -

- One hour detentions will be held from 3:15 - 4:15 p.m. under the supervision of a supervising teacher and/or the Principal.
- Two hour detentions will be held from 3:15 - 5:15 p.m. under the supervision of a supervising teacher and/or the Principal.
- Students will be given a minimum of one day's notice of the detention.
- The responsibility rests with the student to inform his/her parents that a detention obligation exists.
- Parents will be responsible for providing transportation.

Suspension of Privileges- Students and parents will be notified of the suspension of school privileges, the reason such action is necessary, and the conditions necessary to remove the suspension. During a period of suspended privileges, students will not be issued hall passes from class or homeroom. They may not participate in any school sponsored field trip, activity, sport or sport practice.

Suspension of Bus Privileges - Students are provided free bus transportation to and from school. If at any time during bus transport (this includes time at bus stop, boarding and exiting) a student acts in a manner so as to endanger, harm, harass or otherwise interfere with the safe transport of himself/herself and/or others, the student may have his/her privileges suspended. Parents will be notified of the reason for the length of the suspension. During that period of time the parents are responsible for the transportation of their child to and from school.

Out of School Suspension - Out of school suspension will be issued when a student has committed a serious infraction or accumulations of multiple less serious infractions have occurred. Suspension may be for a period of one to ten days. It is a serious penalty, during which a student is not permitted to attend classes, be in the building or on school grounds, and participate in any school-sponsored activity or sport. Parents will be notified and the suspension will start when designated by the administration. Students under suspension have the right to make-up all work missed and will have the time of suspension plus one day to do so. If school is canceled, the student will serve the suspension on the next day that school is in session.

Referral to the Superintendent of Schools - In the event of serious offenses or chronic repetition of multiple less serious offenses, a student may be referred to the Superintendent of Schools. This referral could result in the recommendation of expulsion from school.

Expulsion - Expulsion means the exclusion from school for an extended period of time beyond the limits of out-of-school suspension and may be a permanent expulsion from the school rolls. Expulsion may be recommended by middle school administration; however, it can only be authorized through school board action.

Referral to Civil Authorities or Police - In the event of serious offenses committed by students the administration may refer the incidents to civil authorities or police for appropriate action. The parent or guardian will be responsible for fines and court costs to the extent provided by the laws of the Commonwealth of Pennsylvania.

Due Process - School personnel have a responsibility to see that due process is practiced and that the rights of all members of the school community are preserved. A student has the right to fair treatment and to be made aware of the charges against him/her. He/she must be given an opportunity to respond to the charges.

Informal Hearing - When a suspension exceeds three days the student and parent shall be given the opportunity for an informal hearing to meet the proper school official(s) to explain the event for which the student is being suspended.

Formal Hearing - When a student is considered for expulsion a formal hearing before the School Board, a duly authorized committee or a hearing examiner must be conducted.

Searches- School lockers are the property of the school district not of the student and as such are subject to search at any time. Administrators are permitted to conduct a search of a student if there is reasonable cause to believe that he/she has possession of an item, which constitutes a violation of the law or a school rule. Students will be asked to relinquish cigarettes/lighters when there is a suspicion of smoking on school property. If law enforcement officials conduct the search, a third party must be present. Trained canines may be used to sniff inanimate objects on school property. These searches may take place without additional notice.

Emergency Operations

Types of Protective Response:

Immediate evacuation - Students are evacuated to a safe area on the school grounds in the event of a fire, etc.

Modified Operation - May include cancellation/postponement or rescheduling of normal activities. These actions are normally taken in case of a winter storm or building problems that make it unsafe for students (such as utility disruptions,) but may be necessary in a variety of situations.

In-place sheltering - Sudden occurrences, weather or hazardous materials related, may dictate that taking cover inside the building is the best immediate response.

Evacuation - Total evacuation of the campus may become necessary if the school is in an endangered area. In this case, students may be taken to another school outside of the endangered area. Additionally, if your residence is in a disaster area and the school is not, your children will be cared for in their regular school location until the danger has subsided, or until you or your authorized designee comes to the school to get them. Listen to your local radio/television station for announcements relating to any of the emergency actions listed above. Refrain from calling the school during the emergency. This will keep telephone lines open so that campus administrators will be able to make emergency calls and relay information to the media. The media will advise you when and where to report to regain custody of students. This will avoid traffic congestion that may impede the response of emergency vehicles and threaten the safety of students and staff.

Procedures for reporting to the designated student release area:

- Produce a photo identifying yourself as the authorized person designated at the beginning of the school year to pick up the student.
- Be prepared to sign a student release form.

- Be patient, as school staff works to ensure that each child is safe and released to the appropriate family member, or designee.

Students will only be released to those that have been designated on the emergency card for the nurse's office. As a result, it is critical that this information is current and on file with the District.

In the event your student has a personal means of transportation at school at the time of the emergency or evacuation, your consent is also required before the student will be permitted to leave with their own mode of transportation.

Do not telephone the school or attempt to make different arrangements during an event. This action will only create additional confusion and divert staff from their assigned emergency duties. All instructions will be provided to the media for dissemination. Should the media be unable to operate because of power loss, etc, a route alerting system will be activated in your area. Emergency conditions may also require that the school will have to close for a period of time. In that event, students may be required to complete assignments at home or at another location. Information will be provided via the news media or neighborhood alerting system of procedures to be followed. In order to assure the safety of our students and staff, your understanding and cooperation during these events is required. Should you have additional questions regarding our emergency operating procedures, contact the Administration Building.

Parental Rights Under FERPA

The Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. § 1232g; 34 CFR Part 99) is a Federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education. FERPA gives parents certain rights with respect to their children's education records. These rights transfer to the student when he or she reaches the age of 18 or attends a school beyond the high school level. Students to whom the rights have transferred are "eligible students." Parents or eligible students have the right to inspect and review the student's education records maintained by the school.

Schools are not required to provide copies of records unless, for reasons such as great distance, it is impossible for parents or eligible students to review the records. Schools may charge a fee for copies. Parents or eligible students have the right to request that a school correct records which they believe to be inaccurate or misleading. If the school decides not to amend the record, the parent or eligible student then has the right to a formal hearing. After the hearing, if the school still decides not to amend the record, the parent or eligible student has the right to place a statement with the record setting forth his or her view about the contested information.

Generally, schools must have written permission from the parent or eligible student in order to release any information from a student's education record. However, FERPA allows schools to disclose those records, without consent, to the following parties or under the following conditions (34 CFR § 99.31):

School officials with legitimate educational interest; Other schools to which a student is transferring; Specified officials for audit or evaluation purposes; Appropriate parties in connection with financial aid to a student; Organizations conducting certain studies for or on behalf of the school; Accrediting organizations; To comply with a judicial order or lawfully issued subpoena; Appropriate officials in cases of health and safety emergencies; and State and local authorities, within a juvenile justice system, pursuant to specific State law.

Schools may disclose, without consent, "directory" information such as a student's name, address, telephone number, date and place of birth, honors and awards, and dates of attendance. However, schools must tell parents and eligible students about directory information and allow parents and eligible students a reasonable amount of time to request that the school not disclose directory information about them. Schools must notify parents and eligible students annually of their rights under FERPA. The actual means of notification (special letter, inclusion in a PTA bulletin, student handbook, or newspaper article) is left to the discretion of each school.

Communication with Faculty and Staff

Email address for faculty and staff follow the following format: (last name)(first initial)@southmoreland.net

Example

- Name: John Doe

- Email: doej@southmoreland.net

When emailing faculty and/or staff, please place the student's name in the subject area to help the staff identify incoming email.

If a parent/guardian has questions or concerns with a teacher, contact the teacher prior to the principal. Administration insists that parents/guardians communicate concerns directly with teachers prior to communicating concerns with Administration.

NOTICE: Failure to read and follow the Student Handbook will not excuse any student or parent/guardian from adherence to the standards and expectations set forth in the Student Code of Conduct, nor prevent imposition of student discipline according to the Student Code of Conduct and Southmoreland School District policies and procedures. If you would like a hardcopy of the Student Handbook, notify the office.
