# Extra-School Activity Programme 2026/27

# Extra-School Activity Programme 2026/27

We are aware of the importance of educational opportunities outside school hours for the continual development of our students. For this reason, it is our pleasure to present the Extra-School Activity Programme for the 2026/27 academic year based on three major areas - Sports, the Arts and Academic Activities.

We offer Music and Performing Arts as part of the Arts programme and STEAM, languages, debates & public speaking, academic support and entrepreneurship within the academic programme.

The complete programme offers excellent learning contexts and the opportunity to make new friends, discover talents & skills and acquire values & habits essential for the integral development of children.

It is important that students choose activities that they are interested in and enjoy to the full so that their social, emotional & interpersonal skills, academic performance and general health can benefit.

- **Primary & Secondary**
- **Days & Times:** Monday & Wednesday (16:30 to 18:00)
- **Price:** 94€/month
- **Teacher:** Jan Badia (esports@agorasantcugat.edu.es)

- **Programme Objectives**
    - Encourage the importance of sport through learning rules, habits and social skills.
    - Learn the basics and discipline of athletics.
    - Improve gross motor skills.

- **Required Material**
    - School P. E. kit (in a bag).
    - Sports shoes/trainers.
    - Water bottle.

# Rhythmic Gymnastics

- **Primary & Secondary**
- **Price:** 87€/month
- **Teacher:** Laura Altimiras (laura.altimiras@agorasantcugat.edu.es)

- **Programme Objectives**
  - Become aware of body movement possibilities.
  - Learn and develop the main techniques of work, pace, follow & coordinate movements.
  - Work towards overall coordination.
  - Work on flexibility, turning, jumping, balances and acrobatics.
  - Introduction to the sport material and exercises with hoops, ribbons, gauzes, ropes & balls.

- **Required Material**
  - Rhythmic Gymnastics uniform (not included in the monthly fees). The uniform will be given out in November and will be used in the Festival at the end of the year.
  - Non-slip socks or gymnastic toe shoes.
  - The school sweatshirt is recommended in winter.
  - Students with long hair should have it tied back and should bring a hair band and clips in a toilet bag.
  - All material should be brought in a small bag used only for Rhythmic Gymnastics.

In collaboration with the Sant Cugat Aesthetic & Rhythmic Gymnastics Club

| | MONDAY | TUESDAY | WEDNESDAY | THURSDAY | FRIDAY |
|---|---|---|---|---|---|
| **13:45 to 14:30** | | PRIMARY 1 & 2 | | PRIMARY 1 & 2 | |
| **16:45 to 17:45** | | PRIMARY 3 to 6 | | PRIMARY 3 to 6 | |

# Tennis

- **Infant 5 to Primary 4**
- **Days & Times:** Tuesday & Thursday (16:30 to 18:00)
- **Price**: 94€/month
- **Teacher:** Àlex Peralta (esports@agorasantcugat.edu.es)

- **Programme Objectives**
  - Learn forehand and backhand strokes with change of grip using elite players' technique as a model.
  - Check direction of the ball by positioning the body in a static position.
  - Improve forehand and backhand strokes.
  - Become familiar with the volley and service.
  - Work on field of vision and ability to respond to the ball.
  - Develop coordination and balancing exercises adapted to the technical needs of tennis.
  - Adapt the exercises and games to the age and level of students.
- **Required Material**
  - Water bottle
  - Tennis racket
  - Bag with sport clothes & trainers

# Padel Tennis

- **Primary & Secondary**
- **Days & Times:**
  - Primary 1 to 4 (13:05 to 13:50)
  - Primary 5 to ESO 4 (13:30 to 14:15)
  - Primary 1 to ESO 4 (16:30 to 17:30)
- **Price:**
  - **1 class per week:** 67€/month
  - **2 classes per week:** 106€/month
- **Teacher:** Xavier Torrents (esports@agorasantcugat.edu.es)
- **Programme Objectives**

# Agora News - Student Digital Newspaper

- **Secondary**
- **Days & Times:** TBD
- **Price**: 40€/month
- **Coordinator**: Naama Melero (naama.melero@agorasantcugat.edu.es)

- **Programme Objectives**
  - Every day, something happens at school: projects, events, interviews and unique moments. And someone needs to tell those stories.
  - This will not be just another class. It will be a team in action, with roles, missions and real projects: reporters, writers, interviewers, photographers, editors and audiovisual creators working together to give students a voice.
  - Students will be able to express themselves in Catalan, Spanish and English, reflecting Agora's multilingual environment.
  - The activity will take place under the umbrella of Junior Report, an initiative specialising in school journalism and media literacy, and will allow students to discover how communication is created from the inside.
  - If you enjoy asking questions, discovering, creating, filming, writing or telling stories, this is the place for you. The school is already in motion. So are the stories. **The only thing missing is you!**

# Cinema LAB

- **Secondary, Baccalaureate & Alumni**
- **Days & Times:** Two Saturdays per month from 10:00 to 13:00
- **Price**: 100€/month
- **Coordinator**: Ruben García (ruben.garcia@agorasantcugat.edu.es)

- **Programme Objectives**
  - A practical film lab designed to introduceSecondary, Baccalaureate and Alumni students to the professional world of film and the audio-visual industry.
  - Participants will discover how to prepare a scene, learn how castings work and what casting teams look for as well as which tools
  - can help them perform confidently and naturally in front of the camera.

- **Skills & Knowledge**
  - Act in front of the camera.
  - Prepare for castings and in-person auditions.
  - Understand the audiovisual industry.
  - Create audiovisual content.
  - Receive guidance on further studies and potential career pathways.

    - 40 mins/week - 108€/month

# Individual Instrument Lessons

- **All Year Groups**
- **Teacher:** Júlia López (julia.lopez@agorasantcugat.edu.es)

- **Cello / Double Bass / Classical Guitar**
  - **All Levels**
  - **Times: Lunch time**

- **Viola**
  - **All levels**
  - **Times: Lunch time**

- **Electric Guitar / Electric Bass Guitar**
  - **From Primary 3 upwards**

  - **Price:**
    - 20 mins/week - 56€/month
    - 40 mins/week - 108€/month
    - 60 mins/week - 158€/month

# Group Instrument & Chamber Music Lessons

- **All Year Groups**
- **Teacher:** Júlia López (julia.lopez@agorasantcugat.edu.es)

- **Singing**
  - **From Primary 3 upwards** (Groups of 2/3)
  - **Days & Times**: Lunch time
  - **Price:** 78€/month

- **Instrument**
  - **Infant, Primary 1 & 2** (Groups 2/3)
  - **Days & Times**: Lunch time / Afternoon (40 minutes)
  - **Price**: 78€/month

# Group Activities

- **Teacher:** Neus Casanovas

- **Children's Choir**
  - **Primary 3 & 4**
  - **Time:** Wednesday 14:00 to 15:00
  - **Price:** FREE

- **Youth Choir**
  - **Primary 5 to Baccalaureate 2**
  - **Days & Times:** Wednesday & Thursday 14:00 to 15:00
  - **Price:** FREE

- **School Orchestra**
  - **Primary 5 to Baccalaureate 2**
  - **Time:** Lunch time
  - **Price:** FREE

- **School Band**
  - **Primary 5 to Baccalaureate 2**
  - **Time:** Lunch time
  - **Price:** FREE

# Fun Science

- **Primary 1 to Primary 6**
- **Days & Times:**
  - Primary **1 to Primary 4:** Monday & Thursday (13:30 to 14:30)
  - **Primary 5, 6 & ESO:** Tuesday & Friday (13:50 to 14:50)
- **Price:** 71€/month

- **Teacher:** Bernat Soto (bernat.soto@agorasantcugat.edu.es)

- **Programme Objectives**
  - Spark scientific curiosity through observation and hands-on experimentation.
  - Explore concepts such as chemical reactions, density, electricity, magnetism, renewable energy, physics, chemistry and astronomy.
  - Discover through practical, dynamic and fun-filled lessons.
  - Encourage critical thinking, creativity and teamwork.

- **Required Material:**
  - Water bottle

# Infant Techno-Lab

- **Infant 4 & 5**
- **Price:** 75€/month
- **Days & Times:** Thursday & Friday (12:50 to 13:50)

- **Organised by TbKids (vicky@tbkids.es)**

- **Programme Objectives**

- Children will take their first steps into the world of robotics through games, stories and age-appropriate challenges.

- They will learn by creating their first prototypes with their own hands and discovering that technology can also be magical. Throughout the activity, they will be supported by a mentor specially trained in the TBKids method, who will guide them every step of the way.

- Materials: LEGO® Early Simple Machines, LEGO® BricQ Motion Essential, WhalesBot A3 and Tale-Bot.

- For an activity that sparks young children’s curiosity, introduces them to the world of creative technology and is specifically designed for their stage of development, TechnoLab Early Years is the perfect choice!

# TechnoLab - Robotics Technology Laboratory

- **Primary**
- **Days & Times:**
  - **Primary 1 & 2:** Thursday & Friday (13:50 to 14:50)
  - **Primary 3 & 4:** Wednesday & Friday (13:50 to 14:50)
  - **Primary 5 & 6:** Tuesday & Wednesday (13:50 to 14:50)

- **Price**: 77€/month
- **Organised by** TbKids (vicky@tbkids.es)

- **Programme Objectives**

  - Building, programming and solving real-world challenges: that is what Primary pupils do every week at TechnoLab. Through hands-on robotics projects, they develop creative thinking and logical reasoning in a memorable and engaging way. With mentors trained in the TBKids methodology, every session becomes a new adventure.

  - Materials: LEGO® WeDo 2.0, WhalesBot D3 Pro and LEGO® BricQ Motion Prime (depending on the group and level).

  - If you are looking for an activity that combines fun with meaningful learning, develops logic and creativity, and keeps children motivated week after week, TechnoLab Primary is the perfect choice!

# Robotics Club (including competing in the First Lego League)

- **Secondary**
- **Days & Times:** Monday & Wednesday (13:50 to 14:50)
- **Price**: 60€/month
- **Teacher:** Samuel Ramal (samuel.ramal@agorasantcugat.edu.es)

- **Programme Objectives**
  - Hands-on training focused on preparing for the final competition.
  - Learn the fundamentals of robotics: mechanics, sensors, programming, physics and mathematics.
  - Explore energy: where it comes from and how it is distributed, stored and used.
  - Use creativity to design innovative solutions for a better energy future.
  - Participate in a team challenge using the LEGO® Spike Prime platform.
  - Compete in the First Lego League, an international programme that inspires young people through cooperative robotics.
  - The challenge includes:
  - A scientific project with an innovative solution.
  - A robot game where teams build and programme robots to complete missions against the clock.
  - Presentation of the First Lego League values.
- All activities will be supported by the Tech Coach.

FIRST LEGO LEAGUE

# Learning with Minecraft

- **Primary** 3, 4, 5 & 6
- **Days & Times:**
  - **Primary 3 & 4:** Tuesday 13:50 to 14:50
    **Primary 5 & 6:** Thursday 13:50 to 14:50
- **Price**: 78€/month

- Organised by TbKids (vicky@tbkids.es)

- **Programme Objectives**
  - Through Minecraft Education, the educational version of the popular video game Minecraft, students will learn the fundamentals of programming using the Code Builder editor and code blocks similar to Scratch.
  - In a world where creativity has no limits, they will build and program collaboratively to complete challenges such as:
    - Creating an automated vegetable garden.
    - Programming events and conditions to change the weather.
    - Programming an agent to build a giant pyramid.
  - Minecraft Coders is an original TBKids project, developed using a unique educational methodology that ensures meaningful, effective learning. All our mentors are specially trained in this approach, so that every session provides the quality and consistency your child deserves.

# Virtual Reality & Drone Pilot

- **Primary & Secondary**
- **Days & Times:**
  - Primary 3 & 4: Tuesday 12:50 to 13:50
  - Primary 3, 4, 5 & 6 & ESO: Tuesday 16:30 to 17:30
- **Price**: 78€/month
- **Teacher: Marc Subirà** (TECNOPARC) francesc.guijosa@agorasantcugat.edu.es.

- **Programme Objectives**

  - Gain knowledge and learning of virtual reality.
  - Develop personal, creative & production skills in the virtual environment.
  - Develop teamwork for problem solving.
  - Create and develop individual & group projects.
  - Use applications in virtual environments for students' emotional development.
  - Be exposed to a diversity of learning in a wide catalogue of Matic Applications.
  - Develop scientific, management skills and other subject areas.
  - Be introduced to the world of drones:
    - Third person piloting of indoor mini-drones and outdoor recreational drones.

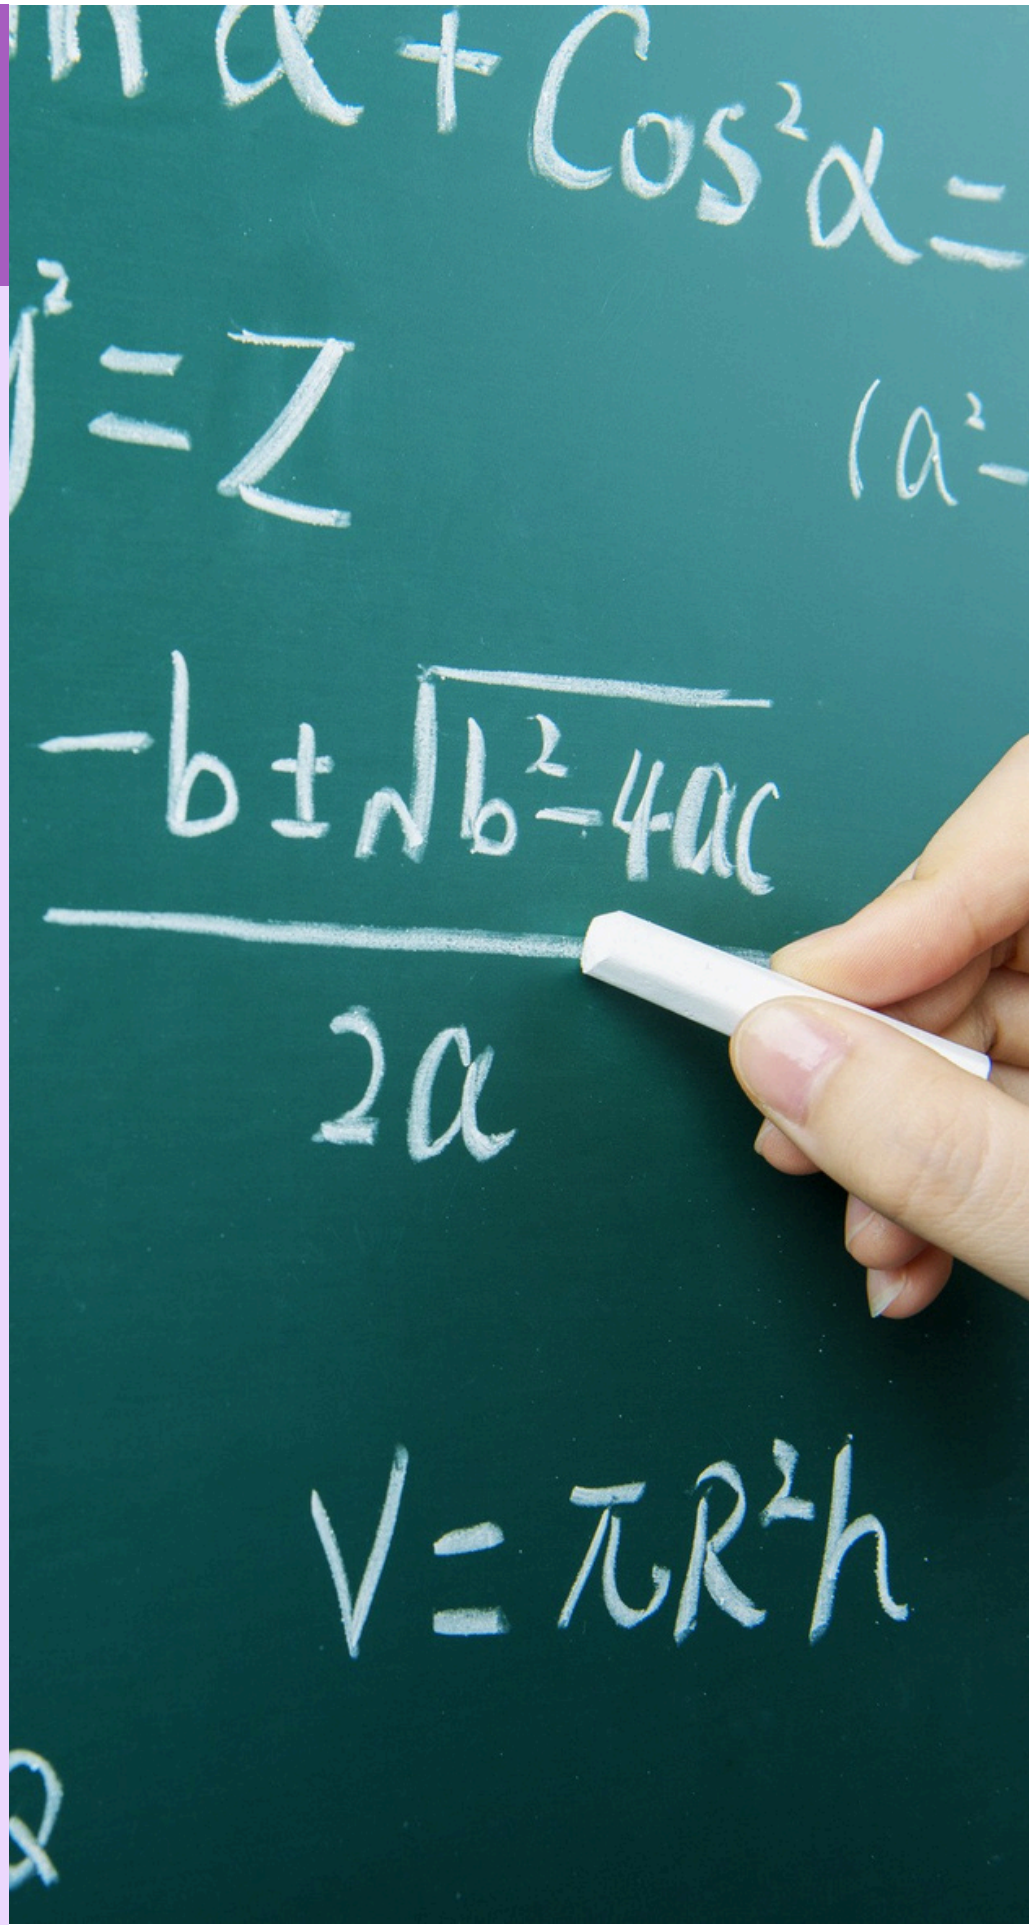

# Mathematics Club

- **Primary 4, 5 & 6 and Secondary**
- **Days & Times:**
  - Primary 5 & 6: Tuesday
  - ESO 1 & 2: Monday 14:00 to 14:45
  - ESO 3: Friday 14:00 to 14:45
  - ESO 4: Thursday 14:00 to 14:45
- **Price:** 46€/month

- **Coordinator: Adrià Puigcerver**
  adria.puigcerver@agorasantcugat.edu.es

- **Programme Objectives**
  - Develop mathematical talent with students who show high ability in the subject.
  - Increase interest in mathematics through engaging activities.
  - Explore advanced mathematical concepts in a fun and interactive way.
  - Solve challenging problems while encouraging idea-sharing and teamwork.
  - Prepare for participation in local and national mathematics competitions and other events.

# Investment Club

- **Secondary 3 & 4**
- **Days & Times:**
  - ESO 3: Tuesday 14:00 to 14:45
  - ESO 4: Wednesday 14:00 to 14:45
- **Price:** 46€/month

- **Coordinator:** Adrià Puigcerver
  adria.puigcerver@agorasantcugat.edu.es

- **Programme Objectives**
  - In the Investment Club, students will explore the world of finance in a practical and engaging way. They will learn the basics of saving, investing, financial markets and decision-making, while developing critical thinking, analytical skills and a broader understanding of how the economy works.
    - Introduction to saving, investing and financial markets.
    - Analysing opportunities and making informed decisions.
    - Understanding key economic and financial concepts.
    - Developing critical, strategic and analytical thinking.

# SAT Preparation

- **Baccalaureate**
- **Organised by:** Florencia Blas (florencia.blas@agorasantcugat.edu.es)

- **Programme Objectives**

  - The SAT is an official US examination that allows students to apply for admission to universities in the USA and obtain academic or sports scholarships/grants.

  - The SAT examination does not assess the knowledge acquired in Baccalaureate but assesses students' future learning abilities.

  - Students are NOT required to have finished Baccalaureate to present themselves for the SAT examination.

  - In addition to being an official SAT examination school, ASCIS offers Blyth Academy courses (another member school of Globeducate), to help prepare for the examination.

# Debate (Spanish or Catalan)

- **Primary, Secondary & Baccalaureate**
- **Day & Time:** To be determined with students and levels.
- **Price:** 46€/month
- **Teacher: Francesc Guijosa** (esports@agorasantcugat.edu.es)

- **Programme Objectives**

  - Develop communication skills and focus on the objective & the main message.
  - Argument ideas and positions regarding a specific topic.
  - Refute opposing arguments based on the identification of their weaknesses.
  - Adapt to unforeseen events and be able to improvise.
  - Effectively search for information and synthesis of ideas.
  - Encourage teamwork and respect for people with opposing opinions.
  - Introduce topics to be discussed during the sessions by the trainer, training available online (CICAE Debate League – UCJC).
  - Receive comments from teachers and other students and debate simulation.

# Academic Support

- **Primary, Secondary & Baccalaureate**
- **Days & Times:** According to availability & subjects.
- **Price:**
  - Individual: 41€/month
  - Group: 28€/month
- **Coordinators:**
  - **Primary** 5 & 6: Ricard Cabrera
    - ricard.cabrera@agorasantcugat.edu.es
  - ESO 1 & 2: Paula Gómez
    - paula.gomez@agorasantcugat.edu.es
  - ESO 3 & 4: Ignacio Anguera
    - ignacio.anguera@agorasantcugat.edu.es
  - Baccalaureate: Montse Martí
    - montse.marti@agorasantcugat.edu.es

- **Programme Objectives**

  - Offer the support and reinforcement needed in the selected subject to develop students' full potential or help them overcome issues in which they have difficulties.

# Languages

- **Programme Objectives**
  - Two weekly sessions focused on improving  comprehension and oral & written expression.
  - A practical approach aimed at achieving fluent communication in the chosen language.
  - Dynamic activities tailored to the students' level.
  - A focus on building confidence and encouraging active participation in a communicative environment.
  - Please contact Iñigo López for any further queries (inigo.lopez@agorasantcugat.edu.es).

## English (Secondary)

**Price:** 83.24€/month
**Days & Times: Monday & Wednesday 13:50 to 14:15**
**Coordinator**: Francesc Guijosa (esports@agorasantcugat.edu.es)
**Language level queries:** Núria Ribalta (nuria.ribalta@agorasantcugat.edu.es)

## Chinese (Primary & Secondary)

**Price:** 95€/month
**Days & Times:** According to level 13:30 to 14:15
**Coordinator**: Iñigo López
inigo.lopez@agorasantcugat.edu.es

# Chinese (Baccalaureate)

**Price**: 112€/month
**Days** & **Times**: Thursday 15:00 to 16:30
**Teacher**: Iñigo López
inigo.lopez@agorasantcugat.edu.es

# German (Primary & Secondary)

**Price:** 95€/month
**Days & Times:** According to level 13:30 to 14:15
**Teacher**: Iñigo López
inigo.lopez@agorasantcugat.edu.es

# German (Baccalaureate)

**Price**: 112€/month
**Days** & **Times**: B1: Thursday 14:50 to 16:30
Advanced B1 & B2: Tuesday 14:50 to 16:30
**Teacher**: Iñigo López
inigo.lopez@agorasantcugat.edu.es

# French (Primary & Secondary)

**Price:** 95€/month
**Days & Times:** According to level 13:30 to 14:15
**Teacher**: Iñigo López
inigo.lopez@agorasantcugat.edu.es

# French (Baccalaureate)

**Price:** 112€/month
**Days & Times**: Thursday 15:00 to 16:30
**Teacher**: Iñigo López
inigo.lopez@agorasantcugat.edu.es

# Arab (Primary)

**Price:** 95€/month
**Days & Times:** According to level 13:30 to 14:15
**Teacher**: Iñigo López
inigo.lopez@agorasantcugat.edu.es
