ROSLYN UNION FREE SCHOOL DISTRICT

STUDENTS AND INTERNET-ENABLED DEVICES **POLICY 5695**

Students are prohibited from using internet-enabled devices during the school day anywhere on school grounds as those terms are defined in section 2803 of the Education Law unless such use is included in a student's Individualized Educational Plan or 504 Plan.

Students are required to turn off or silence all internet-enabled devices and store them upon arrival to school for the entire school day from the opening bell until dismissal in each school building as follows:

- At the elementary level, storage will be provided in classroom closets or such other location as designated by the building principal.
- At the secondary level, storage will be provided in student lockers or such other location as designated by the building principal.

Communication with Parents/Persons in Parental Relation

During the school day, parents/persons in parental relation to students may contact students during the school day by contacting the building where the student attends school in accordance with the building's protocols for contacting the student. Parents/persons in parental relation to students will receive written notification of the method(s) and phone number for contacting students upon enrollment and annually at the beginning of each school year.

Policy Distribution and Translation

The School District will post this policy in a clearly visible and accessible location on its website.
