NERINX AT A GLANCE

Founded in 1924, Nerinx Hall is an independent, Catholic, college-preparatory school for young women in the Loretto charism of loving service. House of Studies Honors Program

Founded in 2019, the **House of Studies Honors Program** inspires students to pursue their highest academic potential, going beyond the standard Nerinx Hall curriculum. The program fosters a love of learning through advanced enrichment opportunities, intellectual exploration, and engagement with contemporary issues.

Nerinx Merit Scholarship recipients are automatically a part of the House of Studies program; non-scholarship recipients are invited to apply after their first semester. Once accepted, they participate in the most rigorous academic enrichment Nerinx offers, exploring topics of academic excellence, current events, and their own areas of interest. The experience culminates in a personalized capstone project that reflects each student's passions and provides an opportunity to share their work with the broader Nerinx community.
