Meet Our Team

Shonda Honor Harris,
Principal

My journey in education is deeply rooted in this community. I am a proud product of St. Charles Parish Public Schools (SCPPS) and a 1997 graduate of Hahnville High School. Being able to give back to the school system that shaped me is one of my greatest joys.

A Career Dedicated to SCPPS Students

My professional journey in St. Charles Parish began 25 years ago in August 2001 at Norco 4-6 Elementary, where I spent two years teaching 5th-grade math, science, and social studies. I then transitioned to teaching those same subjects to 6th graders for the next four years, cementing my passion for student growth and core academics.

In 2007, I stepped into school leadership as the Administrative Assistant at Allemands Elementary. In January 2011, my journey took me to R. K. Smith Middle School, where I proudly served as Assistant Principal, helping guide students through their crucial middle school years.

A Decade of Dragon Excellence

On July 1, 2017, I stepped into the role that has truly captured my heart: Principal of St. Rose Elementary. This school year marks an incredible milestone as I enter my 10th year as Principal of SRE! I am so excited to continue this incredible journey with our community. Together, we are not just teaching–we are actively building our future leaders."

I am incredibly proud of our history, our growth, and our bright future. Every single day, I am proud to be a DRAGON!

Mary Bordelon
Assistant Principal
Pre-K-1st Grade

Shannon Madden
Assistant Principal
2nd-3rd Grade

Margaret Boos
Assistant Principal
4th-5th Grade

Mary Bordelon

I'm thrilled to serve as the Assistant Principal supporting our PreK, Kindergarten, and 1st-grade students, teachers, and families. As a National Board Certified Teacher with a Master's in Curriculum & Instruction from UNO, I bring 21 years of experience in education as an early elementary teacher, reading interventionist, literacy instructional coach, and new teacher mentor. As a new member of our Dragon family, I'm here to help our youngest learners thrive and support our incredible teachers every day. I wish everyone a fantastic year filled with learning, growth, and success!

Shannon Madden

I am beyond blessed and excited to be a part of the St. Rose Administrative Team. I believe all students can learn, grow, and achieve at high levels, and I am committed to helping create opportunities for every student to reach their full potential.

I am in my 24th year in education, with 20 years in St. Charles Parish Public Schools. Before entering school leadership, I taught Math, ELA, Science, and Social Studies in grades 3–5 at Lakewood Elementary. As a proud parent of two graduates of St. Charles Parish schools, I have a deep personal connection to and passion for this community.

Margaret Boos

My name is Maggie Boos, and I am the administrator for 4th and 5th grades! This is my third year as an administrator at SRE. I love getting to work with our oldest Dragons as they work to be the leaders of the school. When I am not at SRE, I am at home in New Orleans with my two sons, Gerard (10) and Charles (7), my dog, and my husband. I am so excited for all that our Dragons will achieve in the 2026-2027 school year!

RE: AHERA Management Plan

Due to federal regulations, I am responsible to notify you annually of the Asbestos Hazard Emergency Response Act (AHERA) management plan at your school. Please communicate to parents through your school newsletter the following notice regarding the AHERA publication:

> **Notice**: In 1986 all asbestos materials were identified in all school buildings. A management plan was developed for each school as per the Asbestos Hazard Emergency Response Act (AHERA). The management plan is located in a binder in the main office of each school. The binders are available for review upon request.
>
> Since the plan was developed, most of the asbestos has been removed. In a few buildings, some floor tile still remains that contains asbestos. All of the schools meet the health requirements that pertain to the regulation. If you have any questions concerning this topic, please contact Kevin Barney, Director of Physical Plant Maintenance at 985-331-3600 between the hours of 7:00 a.m. and 4:00 p.m.

You must copy the notice verbatim to include as an article in your newsletter. A copy must also be posted in your faculty lounge. A similar notice will appear in the August 24th and August 31st editions of the St. Charles Herald Guide and on Channel 8, the district cable channel.
