Services

amount

Service Call - Commercial Service Call

\$800.00

We will provide a door inventory sheet that will contain the door name or number, what the lock was keyed to, what type of lock hardware, and what keyway. This will require a technician to walk all five (5) campuses to collect data on all the existing locks & doors.

Prevailing Wage Consulting - Hourly

\$8,960.00

Door & Lock Inventory Excel Sheet

\$10,080.00

-Hardware manufacturer

-Handle/hardware type (push bar, lever, etc)

-Cylinder type (IC, NIC, Etc.)

-Number of Cylinders (We would want pass through doors which have no cylinders included in the inventory)

-Keyway type

Services subtotal: \$19,840.00

Subtotal \$19,840.00

Tax (San Mateo County 9.375%) \$0.00

Total \$19,840.00

We will provide service of inventory count of all locks and cylinders on five (5) different campuses.
