FROM TCA ADMINISTRATION--ATHLETIC GAME SAFETY

Dear TCA Families,

As we prepare for home football games, please remember that **junior high students must be accompanied by an adult and remain seated in the stands throughout the game**. This expectation helps ensure appropriate supervision and a safe, enjoyable environment for everyone.

Please also note that **personal sporting equipment and toy balls of any kind are not permitted** at the game. Students who are disruptive, defiant, or unwilling to follow these expectations will be required to leave the event with their accompanying adult.

Thank you for partnering with us to make TCA athletic events safe, welcoming, and enjoyable for our entire community.
With Titan Pride,
TCA Administration

FROM TCA OPERATIONS

TCA Community,
As we start the new school year, we have a few reminders to our community about carpool and parking.
Cutting through Private Properties-Please honor our neighboring (private) properties – TCA is surrounded by private property. Such properties can subject individuals to ticketing, towing, fines, and/or other legal action. The following are some properties that continue to work closely with TCA to ensure that access to their businesses are not limited during our heavy traffic carpool times:
· **Bella Springs Apartments – This property is for resident and visitor traffic only. Do not cut through their complex in order to bypass Voyager traffic.**
· **Progressive – Please do not pickup your student in their parking lot. We have special permission to use their lot during special events only. Please do not jeopardize our relationship with Progressive.**
· **Community Bible Study and new medical facility – Please do not pickup your student in their parking lot. Please instruct your students not to climb over the newly installed fence to trespass on private property.**
· **Various businesses on or around Spectrum Loop – Please do not pickup your student in their parking lot. It prevents their customers from parking.**
· **Amphitheater – TCA Parking lots are not to be used for any amphitheater/concert parking.**
We are aware all the traffic in our area creates extra time dropping off and picking up your student. We ask for your patience and flexibility for the safety of all our students.
Sincerely,
TCA Operations

FROM MR. POLLARD
