

# THE Building Confidence PLACE

## ADAPTIVE SWIM LESSONS ARE BACK!

Our Adaptive Group Swim Lessons provide an inclusive and supportive environment where swimmers of all abilities can build confidence and essential water safety skills.

- Each lesson is tailored to meet the individual needs of the swimmer while promoting steady progress at their own pace.
- Instructors use structured routines and clear communication to create a positive and welcoming experience.
- Our program supports safety, personal growth, and a sense of belonging for every participant.

**Cost: \$25/Member; \$35/Non-Member**  
Registration and classes run during  
regular session schedules.
