

PROVIDENCE HIGH SCHOOL

This step-by-step guide will help you navigate the Providence High School admissions process. Please note that registration is required for all admissions events.

□ STEP 1

ATTEND A CAMPUS TOUR (AUGUST – DECEMBER)

A comprehensive Campus Tour is the optimal first step and is highly encouraged. Our tours are intentionally smaller and interactive. They take place during the school day so that you and your family can see our school in action. **Tours are designed for the whole family.**

□ STEP 2

ATTEND ADMISSIONS EVENTS (OCTOBER – DECEMBER)

The best way to get to know Providence is to visit and experience the campus. Join us for our admissions events and attend our events: Spotlight series, Meet PHS, and Meet the Faculty.

- **Spotlight events** are designed to bring to life the programs and activities you discovered during your Campus Tour. Offered for our Cinema Arts, Technology, Medical, Athletics, and Arts programs, these interactive experiences give students the opportunity to explore their interests through hands-on activities while connecting with Providence faculty and current students.
- **The Meet the Students** series offers the opportunity to do just that. These events are designed for the whole family and include social time with our students and a moderated panel discussion during which you are encouraged to ask questions of our student panelists.
- **The Meet the Faculty** series offers **parents and guardians** the opportunity to get to know some of the people who will teach, mentor, challenge, and support your student. Guests will get back into the classroom and take part in lessons taught by our faculty.
