

GUEST TEACHER PROGRAM

Guest Teacher / Education Major Program

The Guest Teacher / Education Major program is a service offered to local school districts that provides substitute teacher training to people who have a bachelor's degree, but do not have a Pennsylvania teaching certificate.

This one-day virtual session also provides substitute training to college Education Majors with 60 completed credit hours. Education Majors will leave the program with a locally issued permit allowing the participant to substitute teach for up to 20 days per school year within a CSIU school district.

Upon completion, participants will:

- understand strategies for effective instruction;
- have a grasp of management of traditional, non-traditional, and special education classrooms; and
- leave with a variety of resources.
