To ensure timely transportation for all students, we kindly ask that the top loop remain clear of car traffic during this time.

Trip to San Juan, Las Piedras, Ponce, Loiza!

SUBJECT: Your student is invited – please RSVP

Dear families,

We're going to San Juan, Las Piedras, Ponce, Loiza in Summer 2027, and we'd love for your student to join us!

We're excited to tell you more about the trip we're planning with EF Explore America, our educational travel partner. Please be sure to register for this info session to be considered for this opportunity: <https://rsvp.efexploreamerica.com/zmm5hug>

When students travel, they expand their knowledge of the world around them, discover more about themselves, and grow more confident. These skills are critical for creating the global citizens of tomorrow, and we would love to have your student join us on this adventure.

In this info session, we'll talk about:

- How this experience will benefit your student
- What we'll see and do on our trip
- Everything that's included in this tour
- How your child can earn academic credit
- How we're keeping this safe and affordable
- How to enroll on this trip (before it fills up!) and get a limited time discount

A Few Reminders:

CELL PHONES

Students at Kalispell Middle School are expected to be respectful, responsible, and safe with personal electronic devices. Based on parent, student, and staff feedback and a focus on learning while minimizing distractions, all personal electronic devices (cell phones, wireless headphones, iPads, Kindles, Apple watches, etc....) must remain off and in a student's locker between the hours of 8:00 am and 3:00 pm. Before and after school, student possession and use of such devices is a privilege. At no time will any student operate a cell phone or other device with video capability in a locker room, bathroom, classrooms, or other locations where personal privacy might be violated or compromised.

Consequences for having personal electronic devices out between 8:00 am and 3:00 pm could include, but are not limited to the following:

- Device shall be confiscated (first time/student picks up after school; second and all subsequent times/parent can pick up at his/her convenience).
- Parents may be contacted.

GUIDELINES FOR STUDENT DRESS

Student clothing is a responsibility of the parent as well as the student. Appropriate dress is important. Ask yourself this question: Are your child's clothes well cared for and appropriate and tasteful for the school setting?

Apply the following guidelines when dressing for school:

- Clean, good condition, stomach and chest covered.
- Undergarments are covered.
- Footwear is required for sanitation and safety.
- Skirts or shorts will be the appropriate length for school.
- No offensive, profane, drug/alcohol related pictures or sayings on clothing.
- Students are permitted to wear hats in the building. However, teachers reserve the right to request students remove their headwear within the classroom if necessary.

Students deemed inappropriately dressed will be asked to call home or change into their gym uniform.

Please see our [KMS WEBSITE](#) for more information, including forms, Powerschool info, Handbooks, and more!
