Dear Families and Teachers,

GEO Academies of Greater Baton Rouge believes in nurturing students in mind, body and spirit. We are hosting a School Wellness Committee meeting to bring together families, staff, community members and students to help us live this vision. As parents and teachers, your input is particularly important, and we would be honored to have you as a Wellness Committee member. We hope you will accept our invitation and join us as we prepare our students for college, fulfilling careers, and a healthy life.

We anticipate holding meetings two times during the school year. If you have any questions or want to know more about what sort of responsibilities you would have as a member, please contact Bryon Hookfin at bhookfin@geoacademies.org.

Sincerely,

Kathy Pitts

Chief Financial Officer and Authorized Representative, GEO Academies Child Nutrition Program
