IF YOU OR YOUR CHILD HAVE BEEN AROUND SOMEONE WITH MEASLES OR HAVE:

A FEVER AND RASH

ALONG WITH ANY OF THESE SYMPTOMS

COUGHING

RUNNY NOSE

RED/WATERY EYES

THEN

Please put on a mask (if able) and call [number here] before entering the building so we can best care for you while keeping others healthy. If you are unable to call us, please come directly to the front desk once you enter and let us know that you have been exposed to measles or have possible measles symptoms.
