- We will increase the percentage of EL students reading on or above grade level in grades 3-5 from 30.8% to 40% as measured by LEAP assessment.

#### Leading Indicators

- Percentage of students meeting benchmark on literacy screener.
- Percentage of students making progress toward Individual Reading Improvement Plan goals.
- Student attendance in intervention and extension groups.
- Percentage of students proficient on curriculum based assessments.

#### Lagging Indicators

- End-of-year literacy screener results.
- LEAP ELA performance.

## Section 2: Explicit Instruction, Intervention and Extension

## Section 2: Explicit Instruction, Intervention and Extension

[Louisiana's Tiered Pathways for Literacy Support](#) (TPLS) Framework guides implementation of healthy Tier I core instruction and extension, as well as effective Tier II and Tier III interventions. While acceleration, intervention, and special education services are essential, they cannot replace coherent literacy instruction using high-quality instructional materials (HQIM). Healthy Tier I instruction for all students is the best prevention measure against overloading the intervention system. This section is designed to support Tiers I, II, and III instruction.

| HQIM implementation support               | By May 2027, ILT will monitor understanding of the curriculum by preparing TC meetings, reviewing assessment/student work evidence monthly, identifying trends, and supporting instructional adjustments that improve student mastery of grade-level standards as measured by 100% of students showing growth in Dibels and/or SLT checkpoints.                                                           | Dibels and SLT checkpoints                                                 |
| Alignment of HQIM ELA language/vocabulary | By the end of the 9-week cycle, each ELA Teacher Collaboration team will use student work and data from their HQIM lessons, tasks, and assessments to focus on one priority skill. Teams will implement the schoolwide student routine, analyze HQIM-aligned student evidence, and plan targeted reteach or small-group support so that at least 70% of targeted students show growth on assessments.     | Curriculum assessments                                                     |
