Welcome Back to Genesee School District!

As we begin a new school year, we are excited to welcome back our students, families, teachers, and staff. A new school year brings fresh opportunities to learn, grow, build friendships, and achieve great things. As the new superintendent I am excited to get know all of you.

We look forward to working together to create a positive, supportive, and engaging learning environment for every student. Families play an important role in our school community, and we appreciate your partnership and continued support.

Whether you are returning to Genesee or joining us for the first time, we are thrilled to have you as part of our school family. Here's to a wonderful year filled with learning, discovery, and success!

Welcome back—we can't wait to see what this year brings!
