21st Annual Father's Walk

“Stepping Up-Leveling Up”

Fathers play an important role in lives of our children! We are calling all fathers and father figures for Lincoln-West's Annual Father's Walk. This year's theme is "Stepping Up-Leveling Up". Join us as we have some inspiring words from a keynote speaker, a fatherhood panel with discussion, fatherhood pledge and conclude with a light breakfast. This is something you don't won't to miss!
