LIBERTY CHARTER SCHOOL DISTRICT #458

PARENT INVOLVEMENT NOTICE:

At Liberty, we encourage and support parents in fully participating in their children's education. This happens in a variety of ways, including, but not limited to:

- Annual, Open House/Title IA Parent Meeting (this year on Sept. 3 @ 6 pm), along with other school programs & events throughout the year
- Weekly communication via the Friday Attendance Note & News, the school's website, www.libertycharterschool.com, and Facebook page
- Teacher communications with parents
- Soliciting parents to volunteer in classrooms
- Parent appointments to the school's Governing Board
- Soliciting parents to serve on school committees & fundraising efforts as needed
- Conducting two, formal parent-teacher conferences annually, with additional formal & informal parent-teacher-student contact as needed throughout the year
- Conducting annual parent survey
- A Parent Involvement tab on Liberty's website to help facilitate learning at home and to be a repository for parent notices
- Soliciting parent feedback on school policies, charter amendments, strategic plans, and evaluations, just to name a few.

At this time of year, we invite parents to visit Liberty's website (www.libertycharterschool.com) to review and provide comment, if they'd like, on the following:

- Parent & Family Engagement Policy
- Home & School Compact
- Wellness Policy
- College & Career Plan
- Title IX training materials & contacts
- Teacher & Principal Evaluation forms.

Parents are also encouraged to review the school's Performance Certificate and Framework, which serves as Liberty's Continuous Improvement Plan. It is found on the school's website.

If you do not have access to the website, parents may request hard copies by contacting the school office at 208-466-7952, or by email, office@libertycharterschool.com. Comments can be emailed to office@libertycharterschool.com, or dropped off at the school office. The school's Board Clerk will include any comments for the Governing Board to consider as part of discussion when the policy/plan/topic is included on a board meeting agenda. Parents are welcome at Liberty's school board meetings. Notices and agendas are posted on the school's website under the Board of Directors tab.

Accreditation & Reviews: As a public school, Liberty undergoes extensive reviews of its federal programs, charter certification, finances, educational programs, and accreditation. Historically, the school receives the highest marks in the way in which its governing board, administrator, teachers, staff, and parents carry out the mission, vision, educational program & requirements of the school. These reports can be found on the school's website, under the School Expenditures tab, the School Information tab, or Parent Involvement tab; or at the Idaho Public Charter School Commission website, or the Idaho State Dept. of Education website.

Liberty's Annual Reports - To view the school's *Annual Report Card*, go to www.idahoschools.org and type Liberty Charter School in the search bar. This is a great resource in which to compare Liberty's academic & other educational outcomes in comparison to surrounding schools and school districts. Liberty's *Annual Performance Report* by its authorizer, the Idaho Public Charter School Commission, can be found on the school's website under the School Report Card tab.

Thank you to our Governing Board, administrator, teachers, staff, students & parents who make Liberty so successful.
