VICTORY CHARTER SCHOOL
DISTRICT #451

PARENT INVOLVEMENT NOTICE:
At Victory, we encourage and support parents in fully participating in the education of their children. We do this in a number of ways, including, but not limited to:

- Annual, Fall Concert/Title IA Parent One-on-One Meeting (Date TBD, notification to be included in Friday newsletters), along with other school programs & events throughout the year
- Weekly communication via the Friday Attendance Note & News, the school's website, www.victorycharterschool.net, and Facebook & Instagram page
- Soliciting parents to volunteer in the classrooms
- Parent appointments to the school's Governing Board
- Soliciting parents to serve on school committees & fundraising efforts as needed
- Teacher-parent communications
- Conducting two, formal parent-teacher conferences annually, with additional formal & informal parent-teacher-student contact as needed
- Conducting annual parent survey
- A Parent Involvement tab on Victory's website to help facilitate learning at home and to be a central repository for parent notices
- Soliciting parent feedback on school policies, charter amendments, strategic plans, and evaluations, just to name a few.

At this time of year, we invite parents to visit the school's website (www.victorycharterschool.net) to review and provide comment, if they'd like, on the following:

- Parent & Family Engagement Policy
- Home & School Compact
- Wellness Policy
- College & Career Plan
- Title IX training materials & contacts
- Teacher & Principal Evaluation forms.

Parents are also encouraged to review the school's Performance Certificate and Framework, which serves as Victory's Continuous Improvement Plan and is also located on the school's website.

If you do not have access to the website, parents can request hard copies by contacting the school office at 208-442-9400, or by email, office@victorycharterschool.net. Comments can be emailed to office@victorycharterschool.net, or delivered to the school office. The school's Board Clerk will include any comments for the Governing Board to consider as part of discussion when the policy/plan/topic is included on a board meeting agenda. Parents are welcome at Victory's school board meetings. Notices and agendas are posted on the school's website under the Board of Directors tab.

Accreditation & Reviews: As a public school, Victory undergoes extensive reviews of its federal programs, charter certification, finances, and accreditation. The school continually receives the highest marks in the ways in which its governing board, administrator, teachers, staff, and parents carry out the mission, vision, educational program and requirements of the school. These reports can be found on the school's website, under About Us, Parents & Students, Budget, and/or Policies, or at the Idaho Public Charter School Commission website, or Idaho State Dept. of Education website.

Victory's Annual Reports - To view the school's *Annual Report Card*, go to www.idahoschools.org. This is a great resource in which to compare Victory's academic & other educational outcomes in comparison to surrounding schools & school districts. To review the *Annual Performance Report* by our authorizer, the Idaho Public Charter School Commission, visit the school's website and click on the About Us tab.

Thank you to our Governing Board, co-administrators, teachers, staff, students & parents who make Victory so successful.

Included in 9/4/2026 weekly attendance note, posted to school website, and distributed at annual parent meeting.
