

Lone Oak FFA Membership Information

Lone Oak FFA Chapter dues are \$30.00 per year. Your FFA Dues include a local, state, and national membership to the National FFA Organization and a chapter T-Shirt.

FFA Membership

FFA makes a positive difference in the lives of students by developing their potential for premier leadership, personal growth, and career success through agricultural education. FFA operates on local, state, and national levels. Student members belong to chapters organized at the local school level. Agriculture educators serve as chapter advisors. FFA Members (high school) must be currently enrolled in a Lone Oak ISD Agriculture Science class.

Please note - Membership in the Lone Oak FFA Program is not mandatory for students in Agriculture Science classes, nor is raising a livestock project required for those who choose to join. However, all students enrolled in an Agricultural Science class are encouraged to join. Numerous studies have been conducted concerning the relationship between extracurricular activities and academic performance. Involvement in extracurricular activities is associated with an improved grade point average, higher educational aspirations, increased college attendance, and reduced absenteeism.

Junior FFA Membership Eligibility: Membership is open to Elementary and Middle School Students enrolled in a Lone Oak ISD school. (Grades 3-8. Minimum age - 8 yrs old and in the 3rd grade.)

Junior Member Activities: Junior Members are eligible to exhibit livestock and Ag Mechanics projects. They are not eligible for FFA contests such as Career and Leadership Development Events, but are allowed to participate in all other local FFA activities. A parent must be in attendance with them at all FFA Events.

Junior Members can exhibit all animal species - sheep, goats, swine, cattle, rabbits, and poultry.

Lone Oak FFA Booster Club: The FFA Chapter is supported by the booster club which is made up of parents, family members, and other willing members of the community. The Lone Oak FFA Booster Club meets the first Wednesday of the month at 6:30 pm in the Ag Classroom. We HIGHLY encourage all parents to participate in the booster club. The money raised goes directly to support the students of the organization. Families must pay dues and join the booster club in order for their member(s) to receive the monetary benefits of the booster club.

How to Join Lone Oak FFA

Step 1: Fill out the Google Form for 2026 - 2027 Membership. Membership is annual and must be renewed EVERY year.

<https://forms.gle/JAbUtJHt7iQUKW2g9>
