Unit Sequence and Pacing Preschool 2026-2027

Unit	Unit Title, Link, and Transfer Goal
Unit 1 (September/ October)	<u>Welcome to Preschool / All About Me</u> Students will be able to independently use their learning to share information about themselves, participate in classroom routines and conversations, and interact with books and print within a supportive preschool learning environment.
Unit 2 (November/ December)	<u>Families and Community</u> Students will be able to independently use their listening, speaking, and early reading skills to talk about their families and communities, make connections to characters in stories, and share their ideas through conversations, drawings, and early writing.
Unit 3 (January/ February)	<u>Culture and Stories</u> Students will be able to independently use their learning to understand that stories are an important way people share culture, traditions, and experiences, and they can use storytelling to share their own ideas and learn about others.
Unit 4 (March/April)	<u>Animals and Nature</u> Students will independently use language, observation, and play to explore and express their understanding of animals and nature, demonstrating curiosity and making connections to the world around them.
Unit 5 (May/June)	<u>Transportation and Movement</u> Students will independently use language and observation skills to describe, compare, and explain how people and objects move from one place to another, applying vocabulary and concepts of transportation and movement to make sense of real-world experiences.
