

Logan Middle School Girls Tennis

Dear Parents & Families,

We are so excited to welcome you and your daughters to the Logan Middle School Girls Tennis season! This will be a wonderful opportunity for our athletes to learn new skills, build friendships, and grow both on and off the court. Coaches **Melissa Norman** and **Kelly Gorres** are looking forward to working with this great group of girls and supporting them throughout the season.

Practice Location & Routine

Each day, the team will meet at the **front doors of Logan Middle School**. From there, we will walk together as a team along the designated route to **Copeland Park**. We will leave Logan promptly at **3:40 p.m.**

On the first day of Practice, Coach Norman will meet the girls outside the girls' locker room and escort them on the designated route. After that, girls will be expected to walk together, and coaches will meet them at the courts (this allows coaches to transport equipment that is needed for practice).

Practice Time

Practices will run from **3:45–5:15 pm on Monday, Tuesday, Thursday & Friday's**

On Wednesday, Practice will run from 3:45-5:00

- As the season progresses, this time may be adjusted; if that happens, we will communicate that to families right away.

What to Bring Each Day

- A full water bottle
- Athletic shoes suitable for running and playing tennis
- A tennis racquet
- If possible, wear shorts, pants, or tennis skirts with a pocket to hold an extra ball.

Weather Policy

As with all outdoor fall sports, our season depends on the weather. If there is standing water on the courts, practice will be **canceled** for that day. In the event of a cancellation:

- We will make an announcement during **Advisory** at the end of the school day so athletes can ride the bus home.

- I will also send a message through **ParentSquare** as soon as the decision is made. At this time, we do not have access to indoor gym space, so we will not be able to hold practice if the courts are not playable.

Pick-Up Plan

It is very important that athletes are picked up **promptly at 5:15 p.m.** each evening, as coaches must stay until every player is safely with a parent or guardian. To help us plan, please respond with your daughter's **pick-up plan**:

- Will she walk home?
- Will she be picked up by a parent/guardian?

We are thrilled to kick off this season and look forward to seeing the girls grow as athletes, teammates, and leaders. Thank you for your support in helping us make this a fun and successful experience for all!
