FAMILY COUNSELING CENTER

Devereux Florida is one of the state's most comprehensive behavioral healthcare organizations, serving individuals with intellectual and developmental disabilities and mental health challenges. As part of our continuum of care, Devereux Florida's **Family Counseling Center** provides individual, family and group therapy for children and families in office, home and school settings. We offer telehealth, in-clinic and community-based services to children, adolescents and adults, beginning at age 1.

Our Family Counseling Center is staffed by professional therapists who offer counseling for a wide range of concerns, including, but not limited to:

- Depression
- Anxiety
- Hyperactivity/inattention
- Relationship issues
- Anger management
- Behavior challenges
- Self-esteem
- Sexual abuse
- Sexual disorders

Psychiatrists and nurse practitioners are available to provide psychiatric evaluations and medication management services as needed. Our Family Counseling Center also offers targeted case management to support children and their families through challenges and crises.

Services are covered through Medicaid Managed Care Plans with no direct cost to the individual or family. We also accept some private insurance. Call us today to learn if you are covered! A self-pay agreement can be arranged for adults and for children who do not qualify for funding.
