# EARN MORE THAN A DIPLOMA

***Bridging high school, college, and career  
for tomorrow's professionals***

## **Academic Institute**

Highly motivated students given an opportunity to earn up to 60 hours advanced college/university credit through a combination of Advanced Placement coursework and dual-enrollment coursework provided in partnership with *The University of South Carolina - Upstate*.

## **Technical Scholars**

Through partnerships with *Horry Georgetown Technical College* and *Apprenticeship Carolina*, students will work toward the requirements for a South Carolina high school diploma and a career-ready certification.

## **Engaged Community**

Expand meaningful work-based learning opportunities by developing sustainable partnerships with local businesses and organizations that connect students to internships, apprenticeships, and career-specific experiences aligned with their interests and postsecondary goals.
