

August 2026

Dear Families,

Hello and welcome back! My name is Catherine Saylor, and I will be your child's Special Education Teacher/IEP case manager for the 2026-2027 school year. I am so excited to work with motivated, bright, and eager students for another momentous year. It will be my absolute pleasure to reconnect with some former students from last year and meet new friendly faces as well! I look forward to helping students learn and grow into confident and independent individuals this year at Mill Creek Elementary School.

Here is a bit of information about me. I graduated from the Pennsylvania State University with a degree in Special Education. I continued my studies at La Salle University to receive my Master in Education and Certification as a Reading Specialist. I am thrilled to start my fourteenth-year teaching in Central Bucks. In my free time, I like to spend time with my family, hike, and do yoga. Working with students has always been my passion, and I look forward to letting my enthusiasm and expertise shine this school year.

I am confident that the new school year transition will run smoothly for your child. As you know, communication between members of your child's school "team" is instrumental to a child's success in the classroom. **I invite you to stop by my classroom (Room 119) for a Meet & Greet on Tuesday, September 8th between 5:30-6:00pm (prior to the 3rd grade Back to School Night).** I will share a brief presentation at 5:40pm, and there will be time afterwards for greetings and connections. I look forward to collaborating with you and supporting your child this year. Thank you for your support as we embark on another school year full of personal growth and exciting new learning experiences!

Sincerely,

Catherine Saylor

Special Education Teacher
