

August 2026

Dear Parent(s),

Welcome back! I hope everyone is enjoying a relaxing and safe summer. I just wanted to take a moment to introduce myself, as well as explain a few things about our classroom.

I grew up in Langhorne and currently reside in Doylestown with my husband, Brian and our two boys, Gavin and Jake. Late summer and fall are exciting times in the Crawford house. We will be celebrating Jake's birthday in August, and he will start eighth at Holicong Middle School. Gavin will celebrate his birthday in September and begin his senior year at C.B. East High School.

I have been teaching for Central Bucks School District and the special education program for the past twenty-four years. I started my journey in 2001, as an Autistic Support Teacher at Mill Creek Elementary. In 2004, the program moved to Bridge Valley, and I was there for 18 years. Two years ago, I was given the opportunity to circle back Mill Creek, while still having the opportunity to do what I love.

I have taught grades K-6 in special education, and I am excited to move to the intermediate grades this year. I plan to work closely with your child's third and fourth grade teacher to ensure a successful year. I have attached a small list of supplies for when your child is in the special education classroom.

Teachers return to the building on August 24th. Please feel free to reach out with any questions and concerns.

Sincerely,

Mrs. Christine M. Crawford
