

SIS Junior Envirothon Club

Are you interested in the environment?

Do you know or want to learn about Pennsylvania's animals, trees, plants, and ponds?
Would you also like to learn more about using your Google Education tools along the way?
Then the Envirothon Club is for you!

Swiftwater Intermediate School is looking to put together 4 teams of 4 students to compete in the 2027 Jr. Envirothon, held at Kettle Creek Environmental Center during the school day in May (date TBD). The teams will be tested on their knowledge of Pennsylvania animals and the environment. The tests are taken as a team.

In order to prepare for competition, we will be meeting before school on:

Thursdays from 7:30am to 8:45am starting on September 24th, 2026

If this sounds like a club you are interested in, please fill out the bottom portion and return to the folder on the outside of Ms. Taylor's classroom door, in room 121. There are only 16 spots available to 5th and 6th graders, so space is limited. Sign-ups are due by Wednesday 9/16.

All parents need to be signed up for Class Dojo, as all information for club members will be communicated via Class Dojo.

**Please return to the folder on the outside of Ms. Taylor's classroom door, in room 121.
or fill out the Google Form <https://forms.gle/qFN5aC1Pq9qmrB1v7> (QR code below)**
