Dear Night Owls,

On behalf of the Timberlane Regional High School staff, I welcome you to the 2026 TRHS Fall Evening Division Program! I hope you have all had a restful, healthy, and fun summer break!

Evening Division classes begin Monday, August 31, 2026. We understand that education should not follow a one-size-fits-all model, and this year we renew our commitment to providing an alternative learning environment that inspires and supports student achievement. Our teachers are excited to welcome students to their classes and support them in achieving success. Our Evening Division school counselor Ms. Winters will be in the office one evening a week to provide school counseling services as needed, and our evening receptionist Miss Carol and I are eager to greet you and get the evening school year started!

The opportunity to earn credits toward a high school diploma in our Evening Division program is not available to students in many districts across the state; therefore, it is not a student opportunity we take lightly. Students who lack sufficient levels of participation or do not follow class attendance expectations may be removed from the class roster and receive a Withdraw Fail (WF) on their transcript if intervention strategies are unsuccessful.

Following this letter is a description of our Evening Division program details and student expectations. You will find contact information for fall semester EveDiv teaching and office staff as well. Please feel free to contact me directly if you have any questions. We look forward to seeing you all soon!

Respectfully,

Ms. Danielle Foley
