

Welcome Back! 😊

Dear families,

My name is Emily Bolton, and I am thrilled to be your child's special education teacher this year! A couple of facts about me are: I am a proud graduate of Saint Joseph's University in Philadelphia. Currently, I am working toward obtaining my master's degree in Special Education with an Autism Spectrum Disorder Endorsement Certification from Saint Joseph's University. This is now my fourth year at Mill Creek. I am an avid Phillies and Eagles fan, I love to read and bake, and my rescue dog Dolly is my whole world.

This year, I assure you that your child is in very loving hands. You can expect communication from me often! I am a big believer that a strong relationship between school and home are crucial, and teacher and student rapport is the cornerstone to meaningful and high-quality education. I am so excited for a year of Mill Creek magic with your learner. I look forward to a tremendous year!

Teachers return to the building on August 25th. Please feel free to reach out with any questions and concerns.

I am looking forward to a fabulous year!
