Forum is one of the most critical foundations on which CHS was built, and we do everything possible to ensure that all students can regularly be a part of Forum.

Most Forums will meet during Block 8; this is how our block schedule was built. However, some students are placed into a Lunch Forum when they enter CHS if they will be split-enrolled into a class that is likely to have a time conflict with Block 8 Forum over the course of their 4 years. Other students may be placed in a Block 8 Flex Forum if their split-enrolled class has traditionally moved to a different meeting time as the level progresses over the four years. So the B8 Flex Forum meets during Block 8 Forum on Tuesdays and Lunch Forum on Thursdays to allow those students to stay in the same Forum all four years and be able to meet with their Forum at least one day each week, and then check-in with just their Forum Leader on the other day. See [Counselor/Forum Leader List with Forum Times 2026-27](#) for meeting times and room numbers for all Forums.

The most important thing is for students and families to do everything possible to not schedule classes or appointments when Forum meets as a whole group, and communicate with their Forum Leader if they have an unavoidable conflict due to a class scheduled out of the building. The Forum Leader and/or our Attendance Secretary can then share our protocol and steps for handling the Forum attendance conflict during the duration of the scheduled conflict.
