Burbank Council PTA will be hosting a FREE webinar about Executive Functioning Skills. Dr. Peg Dawson will be our presenter. In over 40 years of clinical practice, Dr. Peg Dawson has worked with thousands of children and teens who struggle at home and in school. At the center of their struggles are often weak executive skills. Along with her colleague, Dr. Richard Guare, she has written numerous books on this topic for educators, mental health professionals, and parents, among them Smart but Scattered, Smart but Scattered Teens, Executive Skills in Children and Adolescents, and Coaching Students with Executive Skills Challenges. Peg is also a past president of the National Association of School Psychologists, and the International School Psychology Association, and is a recipient of NASP's Lifetime Achievement Award. I have attached 2 flyers. Please share one or both with your school community, parents, students, teachers, staff. They will need to RSVP to receive the link to the webinar.

Go Bears!
