Our Classroom AI Agreement

A SHARED UNDERSTANDING FOR USING AI IN THE CLASSROOM

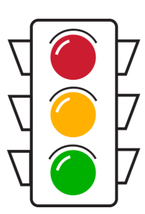

WHY WE USE AI?

We use Artificial Intelligence (AI) as a learning support tool, not a shortcut. AI can help us think, plan, revise, and create. However, the final learning must always be our own.

SCHOOL APPROVED AI TOOLS

ChatGPT, Canva, MagicSchool, SlidesAI, and other school-approved tools. The list may change throughout the year.

GUIDELINES FOR AI USE

- No AI
- AI for Planning
- AI for Support
- Full & Creative AI Use

SHARE HOW YOU USE AI

If AI helped you with an assignment, include:

- Tool used
- What you asked
- What you kept or changed

EQUITY & ACCESS

Not every student has the same access to AI tools at home.

- No student will be penalized for lack of access
- Alternative options will always be available

PRIVACY & SAFETY

Not every student has the same access to AI tools at home.

- No student will be penalized for lack of access
- Alternative options will always be available

IF THERE'S A PROBLEM

- We talk about the problem.
- You fix or redo your work.
- We show you how to use AI correctly.
- Consequences only if it keeps happening.

CHECK & UPDATE

- We will review this agreement throughout the year.
- We might make changes if new AI tools appear or if we find better ways to use AI.
