

Rockwood Summer Internship Program

ABOUT

The Summer Internship program is a unique, unpaid opportunity that partners students with a professional in a career area of their interest to work on a custom designed project while earning $\frac{1}{2}$ of a CTE credit. The internship provides students with practical, real-world experience as they further develop essential career readiness skills. Participants may work individually or in teams, focusing on projects, tasks, research or shadowing professionals.

PROGRAM DETAILS

- Students average 6-8 weeks, 15-20 hours per week
- Internship needs to be a top priority for the summer
- Reliable transportation required
- Must attend Orientation, Training and Workshops
- Open to place students in any career area based on availability of professionals
- Students receive a non-weighted grade and evaluation on both assignments and career readiness skills (communication, work quality, initiative/self-directed learning and interpersonal skills)
- Acceptance into the program does not guarantee a placement
- Space is limited

NEXT STEPS

- Apply using the QR Code until November 9th at 2:00 pm (hard deadline) and send Teacher Recommendation form to at least three (3) Rockwood staff (Link is on webpage)
- Make sure application is completely filled out; incomplete applications will not be accepted.
- Interviews take place mid November - January
