

2026-2027 School-Parent Compact - Crespo Elementary School

WHAT IS A SCHOOL-PARENT COMPACT?

A School-Parent Compact is a shared agreement built by parents, teachers, and students to ensure every child reaches or exceeds grade-level standards. It connects home and school by aligning daily learning, high-quality instruction, and key skill-building with our school improvement goals.

JOINTLY DEVELOPED WITH PARENTS/GUARDIANS

At Crespo Elementary, we believe student success is a shared responsibility. School staff, teachers, parents, families, and students will work together as partners to support academic achievement and continued student growth.

By maintaining open communication, high expectations, regular attendance, and a strong focus on learning, we will continue building upon Crespo Elementary's success and helping every student reach their full academic potential.

Together, we are committed to continued excellence at Crespo Elementary.
