

26-27 Rebel Report

COMPASSION HONESTY RESPECT RESPONSIBILITY

August 28, 2026

Dear Reeds Brook Families,

We are thrilled to welcome you to the 2026–2027 school year! At Reeds Brook, we believe in the power of community, and our dedicated staff works together to create a supportive environment that challenges every student to achieve individual success — guided by our four core values of Honesty, Respect, Compassion, and Responsibility — as we partner with families like yours to grow each student as both competent and KIND.

This fall, RBMS is also launching a new daily schedule (7:40 AM–2:00 PM) shaped by our MTSS (Multi-Tiered System of Supports) framework, giving every student a consistent daily rhythm of core instruction blocks, a dedicated WIN (What I Need) period for extra support, and Specials — so each day feels more purposeful and predictable. If you have questions about these changes, please don't hesitate to reach out.

Here's to an amazing year ahead!

Warmly,

Jen Cyr, Principal, Reeds Brook Middle School

Nurse's Corner

Subject: Important Update Regarding Unsolicited Food at RSU #22

Dear Parents and Guardians,

The health, safety, and well-being of our students is our top priority. We are writing to inform you that according to the RSU #22 Wellness Regulation, we will "Not allow unsolicited food for children in the schools during the school day".

In order to maintain a safe environment for students with severe food allergies and to ensure equitable practices during celebrations we will be adhering to this "no outside food" rule for all classrooms and school events.

Going forward, please adhere to the following guidelines:

- No Outside Food: Only snacks and home lunches for your student are permissible.
- No Homemade Treats: Homemade cakes, cupcakes, or baked goods are no longer permitted to be brought in and shared with the class.
- Celebrations and Birthdays: If you would like to celebrate your child's birthday or a special milestone, please consider non-food alternatives such as donating a book to the classroom library, handing out stickers, or bringing in pencils.

Please note that this policy helps us protect children with life-threatening allergies and ensures that all students are included equally in classroom activities.

If your child has specific dietary restrictions, medical conditions, or requires accommodations, please contact the school nurse or main office so we can make the necessary arrangements.

Thank you for your understanding, cooperation, and partnership in keeping our school a safe and healthy place to learn.

Sincerely,

Alison Ramsdell RN, BSN

Jennifer Cyr, Principal
