

Post Falls High School
Off-Campus Annual Lunch Permit
2026-2027

******Until this form has been approved and the sticker has been affixed to the student ID, a phone call from a parent or guardian must be made each time the student would like to leave campus for lunch, and the student must pick up a blue pass at the office prior to leaving******

Post Falls High School is a closed campus. Once students arrive on school grounds, they will not be permitted to leave without following proper check-out procedures in the main office. Students leaving school grounds without authorization will be subject to discipline.

In order to receive an off-campus lunch permit for the 2026-2027 school year, students and parents agree to the following:

- Students are not permitted to sit in their cars or loiter in the parking lot.
- Students are expected to eat lunch during the lunch period and not take their food to the next class period.
- Students must re-enter the building through the west (Trojan) doors or the front entrance.
- Students must present their student ID when re-entering the building.
- Students are expected to be on time to the class period following lunch.
- Students who lose their ID cards must obtain a replacement from the attendance office and will be charged the card replacement fee of \$5.

I have read and understand the off-campus lunch permit expectations and agree to the stated conditions. I understand if I violate any of the above conditions, I may lose the privilege of an annual lunch permit.
