Financial Aid at Trinity Valley School
2027-28 Academic Year

The Trinity Valley School Financial Aid program is committed to making a TVS education accessible to all families based on demonstrated financial need and the availability of funds. TVS is proud to use the Clarity Application to determine a family's level of financial need based on the information that families share in the application which includes assets, income, expenses, and debts.

To get started, create an account at the Clarity Application. The application is mobile-friendly, takes under 30 minutes, and allows you to save progress. It includes a $65 submission fee, with the option to share data with other schools at no extra cost. For detailed steps, refer to the Clarity Family Application Guide.

To make our decision, TVS uses the information from the Clarity application as a starting point, but also considers TVS's policies, practices and available budget.

The deadline for completing the financial aid application including relevant supplemental documents is as follows:
