

Landell Weekly Communication

August 31- Sept 4 , 2026

Principal's Message

I have to start with the story that's been the talk of campus all week and honestly, I still get a little giddy every time I tell it.

🚀 Landell Went to Space This Sunday!

Our school's name rode aboard NASA's brand-new Nancy Grace Roman Space Telescope, which launched Sunday, August 30 at 4:26 a.m. Pacific from Kennedy Space Center on a SpaceX Falcon Heavy rocket. Through NASA's "Send Your Name to Space" campaign, Landell is now stored on a digital chip attached to a plaque on the telescope itself traveling about a million miles from Earth to study dark energy, search for distant planets, and see even farther into the universe than Hubble ever has.

Somewhere out past the Moon, past the reach of almost anything else we'll ever touch, our school's name is floating through space. I don't know about you, but I think that's worth pausing on for a second.

A huge thank you to the Medina Family for setting this up! What a gift to give our students a reason to look up at the sky differently for the rest of their lives. **Go Leopards!**

School Site Council- 2 Parent Positions Open

Margaret Landell Elementary School Site Council is required under California state law to serve as the community representative body for determining the focus of the school's academic instructional program and all its related categorical resources. The Landell School Site Council is group of parents, teachers, and staff that meets four times a year. Meetings will be held on Thursday afternoons from 3:00 p.m. to 4:00 p.m. in the Landell STEM Lab. Exact dates will be coming soon.

- We are in need of two parents to serve on the Landell School Site Council. Each parent will serve a two year term (2026/27 and 2027/28).
- **Forms must be complete by September 4, 2026 at 3:00 p.m.**
- Voting will take place the Week of September 7-11, 2026. For questions, please contact Melanie Brebaugh, Principal.
