

HECTOR'S GIVES BACK

Wash Today, Feed a Student Tomorrow

Support a local family business – we'll support local families right back.

GOAL: Raise \$10,000+ for Local Student Lunches

Last year, our customers, friends, and local businesses helped raise more than \$5,000 to reduce student lunch balances at Cloverdale Elementary School. This September, we're expanding the effort to support students and families across **Keeneyville School District 20** and **Community Consolidated School District 93**.

Together, we can help ensure every student has access to the meals they need to succeed!

How It Works

1. Bring this flyer to either Hector's location **September 1-30, 2026** (West Chicago location closed Mondays).
2. Choose a participating wash package.
3. Hector's matches every campaign contribution dollar-for-dollar.
4. Funds are directed to the participating school district you select (**District 20** / **District 93's Kids Foundation**).
5. Follow our progress throughout September on social media.
