1. DO NOT CUT PHOTOS in any way. If you want something cropped out, we can do that, just write us a note and we'll use our program to crop your scanned image.
2. Please put a sticker label on the back of EACH PHOTO with your student's FULL NAME. We need BOTH their first and last name and the number of phots. (1 of 3, 2 of 3, 3 of 3 for example)
3. Please limit your words to the guidelines stated above so that we can make the ads similar in size to those surrounding yours.
4. No digital files are accepted. Please print your images and submit the hard copies with this paper and payment to the bookkeeper.

Write your message here, or staple a separate piece of paper with your message on to this paper when you turn it in. Please include your email in case we have questions.
