North Versailles Public Library and East Allegheny School District are partnering to improve access to educational and recreational by proving every student with a library card.

Education Research indicates:

- Children who have library cards and use the library perform better in school
 - Public library staff help students learn how to preform age-appropriate internet searches, online tutoring and utilize web-based resources for homework help using free, public-access computers
 - A library card is the most important school supply of all.
- North Versailles public library no longer charges overdue fines for any materials (that may not be the case for other Carnegie libraries); However you do remain responsible for the return of the items to the library.
