CABRILLO UNIFIED SCHOOL DISTRICT CONTINUING EXEMPT STATUS

An exemption application from a qualified applicant will provide an exemption for that tax year only. However, qualified senior applicants will not need to resubmit a new senior exemption application during Measure I parcel tax years if 1) the property was exempt the previous tax year, and 2) they still own and occupy the property.

On an annual basis, the district will verify and renew existing exemptions and, if necessary, confirm with the original applicant that they continue to own and occupy the property.

I certify that I own and occupy the property listed above for which the parcel tax exemption is claimed. Under penalty of perjury, I declare that this claim (including the accompanying copies of proof documents) is, to the best of my knowledge, correct and complete.
