Dear Families,

We are delighted that you have chosen a CREC Magnet School for your child's Pre-K education. As you begin the registration process, we want to inform you about the Pre-K Tuition Charge, which applies to families whose annual household income, is above 75% of the state median income.

For the 2026-27 school year, the Pre-K Tuition Charge is:

- **$2220.00 for the first child.**
- **$757.00 for the second child enrolled.**

**These amounts are based on current law and may change depending on outcomes in the current legislative session, scheduled to end in early June. We will provide updates to you as warranted.**

We understand that financial considerations are important to every family. Therefore, we are pleased to offer a Pre-K Tuition Waiver Program for eligible families.

**Waiver Eligibility:**

Families who meet the following criteria may be eligible for a Pre-K Tuition Waiver:

- Household income falls at or below 75% of the state median income.
- Family demonstrates financial hardship through documentation of specific circumstances.
- Household receives certain State Benefits (SNAP, TFA, Husky, etc.)

**Waiver Application:**

Pre-K Tuition Waiver applications will be available once you are registered at a CREC Magnet School.
