

Back To School NEWSLETTER

SEPTEMBER 8, 2026

Mr. Martin

Welcome back to school! I hope you had a fantastic summer break. I sure did. But I am so excited to get back to school. We are going to learn so much this year, I can't wait to get started.

This first week, and next week too, we will focus on appropriate school routines and expectations. I like to make sure my students know exactly what is expected of them. We will learn some basic routines that make my class function more smoothly. An example is how to line up properly. There are also functional routines that we may still need to learn, such as holding a pencil, turning a page, or knowing where the bathroom is.

Communication is the cornerstone of my teaching style. We will exchange contact information this week. Please remember, you can contact me at any time before 6:30 p.m. and I will do my best to get back to you. I believe your questions and/or concerns are valid, and I also believe that your students' questions and/or concerns are also valid.

Some things your child will need for the beginning of school include; backpack, water bottle, extra set of clothes (put in a gallon Ziplock with their name on it) for me to keep at school, and perhaps a water bottle. If you do not have school supplies that is fine, I will make sure kids have what school supplies they will need.

THIS FIRST WEEK IS GOING TO START A FANTASTIC SCHOOL YEAR.

THANK YOU!

Classroom

In Math: we will start counting this week and practicing writing numbers.

In Reading: we will start with recognizing letters in the alphabet.

In Writing: we will start with writing our name, and if we can't I will provide a name tracing sheet.

Daily

- 
- 
1. Read to your child
 2. Look for letters and words in everyday print
 3. Play rhyming games
 4. Count to 100
 5. Look for numbers in your everyday world
 6. Write numbers 1-20.
 7. Have fun!

Upcoming Events

- 
- 
-
