Annual Report
Fiscal Year 2025-26

1. Narrative description of the Prop 28 arts education program(s) funded. (2500 character limit).

Using our Board adopted 2022-2027 Visual and Performing Arts Plan as a guide, we were able to provide 17 VAPA Specialists across four domains (Visual Arts, Music, Theater, Dance) in the 2025-2026 School Year, as well as access to several VAPA experiences. These expenditures allowed us to meet the Focus Areas:
(1) Access to the Arts - students had access to music lessons, field trips, and art showcases, (2) Essential Resources - personnel and display spaces, and (4) Professional Development for specialists.
We anticipate being able to fully meet our goal to provide credentialed staff, with an anticipated 18/18 positions filled in 2026-2027.
We also provided access to the arts for 11,075 students in the form of direct instruction and/or field trips to performances at Santa Barbara Bowl, Performing Arts Center San Luis Obispo, and Santa Maria Philharmonic. We were also able to host a junior high Art Show!
We look forward to expanding our in class offerings to increase high quality, sequential arts education in the 26-27 school year.
