Jan Richardson's Sight Words

The image features a solid black background. At the top, there is a decorative, wavy border. This border is composed of several overlapping, curved bands of color. From left to right, the colors transition from a warm orange-red, through a bright yellow, to a vibrant green, and finally to a light blue on the far right. The word "day" is centered in the black area.

day

The image features a solid black background. At the top, there is a decorative, wavy border. This border is composed of several overlapping, translucent bands of color. From left to right, the colors transition from a warm orange-red to a bright yellow, and finally to a cool cyan-blue. The waves in the border create a sense of movement and depth.

out

The image features a solid black background. At the top, there is a decorative, wavy border with a color gradient. From left to right, the colors transition from a bright yellow, through orange and red, into a dark green, and finally into a light cyan/blue at the far right edge. The word "over" is centered in the black area.

over

then

The image features a solid black background. At the top, there is a decorative, wavy border with a color gradient. From left to right, the colors transition from a warm yellow-orange, through a deep red, to a bright cyan-blue. The word "your" is centered in the black area in a white, lowercase, sans-serif font.

your

give

The image features a solid black background. At the top, there is a decorative, wavy border with a color gradient. From left to right, the colors transition from a warm orange-red to a bright yellow, then to a vibrant green, and finally to a light cyan/blue on the far right. The word "played" is centered in the black area.

played

liked

The image features a solid black background. At the top, there is a decorative, wavy border. This border is composed of several overlapping, translucent bands of color. From left to right, the colors transition from a warm orange-red, through a bright yellow, to a vibrant green, and finally to a light blue on the far right. The waves of these colors create a sense of movement and depth.

looked

The image features a solid black background. At the top, there is a horizontal band of vibrant, wavy colors including yellow, orange, red, and green, which appears to be a stylized representation of a sunset or a digital graphic element. Centered in the black area is the word "wanted" in a white, lowercase, sans-serif typeface.

wanted

The image features a solid black background. At the top, there is a decorative, wavy border. This border is composed of several overlapping, translucent bands of color. From left to right, the colors transition from a warm orange-red, through a bright yellow, to a vibrant green, and finally to a light cyan or blue. The waves of these colors create a sense of movement and depth, resembling a stylized horizon or a series of flowing ribbons.
