OFFICIAL MONTHLY NEWSLETTER

A MESSAGE FROM ASHWAUBENON PUBLIC SAFETY & DR. MACH REGARDING HOMECOMING

Ashwaubenon High School students, parents, and faculty members,

As Homecoming Week approaches, we are thrilled to join our school community in celebrating one of the most exciting traditions of the year! From spirit dress-up days and athletic events to the Homecoming dance, this week is a wonderful opportunity to build school spirit, support our students, and create lasting memories together.

To ensure Homecoming is a safe, fun, and memorable experience for everyone, Ashwaubenon Public Safety and the Ashwaubenon School District are working together to keep our school and village safe. We want every student to enjoy the festivities to the fullest, and that starts with making good decisions.

Public Safety officers will have an active presence throughout the week to support school-sanctioned events and maintain a safe environment. They have adopted a zero-tolerance policy during Homecoming week. Anyone caught in violation of village ordinances or state laws will be issued citations or taken into custody. We ask all students to keep the celebration positive by avoiding activities that could disrupt neighborhoods, damage property, or break village ordinances (such as loitering, reckless driving, or curfew violations). Let's make sure a few poor choices don't spoil the fun or overshadow all the fantastic work our community puts into this week.

Parents & Guardians: Thank you for your continued partnership! Please take a moment to talk with your students about celebrating responsibly and staying safe throughout the week. We are proud of our Ashwaubenon students and look forward to an energetic, safe, and unforgettable Homecoming celebration. Let's make this year's Homecoming the best one yet!

Respectfully-

Tomas Baxter, Chief of Public Safety

Dr. Kane Mach, Ashwaubenon High School Principal

2026 HOMECOMING GUIDELINES

Campus Security/Access

- The Ashwaubenon Public Safety Department will be on campus providing security during the entire week of Homecoming.
- All School sponsored events will finish before 10:00pm. Students will not be allowed on campus after 10:00pm from Monday, September 28nd to Thursday, October 1st. Students on or near campus buildings will be questioned by Ashwaubenon Public Safety and may be cited.

Homecoming Expectations/Beliefs

- Learning will remain the main focus of the week.
- Positive decision making must be the order of the week during Homecoming. Have as much fun as possible, but stay within the limits.
- Homecoming must be a positive experience for all people. All students and athletic teams will be represented in the planned activities. It will be a celebration which represents all fall activities and participants.
- Everyone's rights will be respected at all times. Ashwaubenon High School will not promote activities where people are subjected to acts of vandalism.
- Homecoming is a privilege, not a right. Positive decision making by students will ensure that it remains an AHS fall tradition. Poor decision making will jeopardize this privilege.

General Facts

- Due to rising event expenses, including the cost of the DJ, Homecoming ticket prices have increased from \$10 to **\$20**. They can be purchased in the cafeteria during lunch.
- All sanctioned Homecoming activities are held on the AHS campus. These are the only approved activities. AHS does not sanction decorating efforts throughout the Village of Ashwaubenon. Toilet papering private homes and village property are not part of the approved Homecoming plans.
- The Ashwaubenon Public Safety Department is an active partner in planning Homecoming. They also have the same goal of having a great set of activities while remaining safe and respectful.

Homecoming Dance

The Homecoming Dance will be held on **Saturday, October 3rd** from 7:00pm-10:30pm at Ashwaubenon High School in the Auxiliary Gym. The dance is semi-formal in nature. Appropriate dress includes dress slacks, dress shirts and ties for males, with equivalent dress for females. T-shirts, blue jeans, tank tops and shorts are not considered appropriate attire. All AHS students in good standing may attend. Students bringing a guest who does not attend Ashwaubenon High School must pick up a Guest Pass Application from the Main Office. The completed guest pass must be signed by an Administrator by Friday, September 25th in order for the guest to be admitted to the dance.

As part of our ongoing AODA awareness and prevention goal, all students will undergo an alcohol breathalyzer test prior to entering the dance.

Make it a safe and enjoyable Homecoming!

Ashwaubenon High School

Did you know that a whole year has 365 days? This school year has only 174 days. That leaves 191 days to spend on family time, visits, holidays, shopping, household jobs, and appointments.

Our goal is to have students miss 9 days or less this school year for greater school success!

0-9 Days Absent	10-17 Days Absent	18+ Days Absent
100% - 95% Attendance	94% - 90% Attendance	89%-0% Attendance
Very Good Best chance of success. Gets your child off to a solid start.	Worrying Less chance for school success. Makes it harder for your child to make progress.	Serious Concern Increased likelihood of school difficulty and risk of school failure.

Attendance is critical to student success. Please send your child to school every day unless they have a significant reason for an absence. Please contact the office if there is anything we can do to support you in getting your students to school. We have included a chart that can help you track your students' attendance.
