

## Day 4 Science

Use the text box tool to write in their answers for the reading. \*If this doesn't work students may write on a piece of paper all of their answers.

# EXAMPLES OF ENVIRONMENTAL TRAITS

Look at the images below and list some of the environmental traits that you see. Then, talk with a family member or partner and see if you can come up with more traits together. You can also check the internet after you're done (with the help of an adult) to see if there are any you didn't write down.
