

Elearning Important Information

Welcome to our 4th Grade Elearning. It is a state requirement that students complete all activities on the days assigned. Helpful information and frequently asked questions can also be found at

<https://www.hcsdsc.org/departments/curriculum-and-instruction/e-learning>

Assignments:

- ~Check their Elearning folder on their desktop for handouts and information
- ~There will be no more packets since assignments do not require internet to open, except for iready and fluency flight
- ~Students will need an adult to help and guide them for each activity.
- ~Students have 3 days to make sure assignments are completed and turned back in(Saved on their desktop)
- ~Make sure you SAVE your work after each activity.
- ~Read the handouts carefully!
- ~Iready lessons and fluency flight must be completed
- ~Independent Reading must be completed

*Students have already gone through a mock day and are fully aware of how to access their folder, type on their documents, use Word, and save their work.
